## Story Of Daniel:

**The Story of Daniel the Prophet** Stephen Nelson Haskell, 1977-02 The Book of Daniel is a prophecy given by God to Daniel 600 years before Christ that reaches clear down to the end of earth's history. It is especially applicable to our day, pointing out the immediate future. In *The Story of Daniel the Prophet*, a few of the interesting facts in regard to God's dealings with His people have been gathered into a simple narrative. This book is the result of much prayerful study. It is sent forth with an earnest prayer that in the hands of the parents it may be the means of making the study of the Bible in the family a blessing to young and old and that the teacher in the schoolroom may see precious rays of light flashing from its pages, pointing both teacher and pupil to the Great Divine Teacher. We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise, the most studious will find food for thought and thus become better acquainted with the character of our Heavenly Father. Those who wish to enter into more comprehensive study will find that the marginal references open up many veins of precious ore in the deep mines of God's Word. Throughout the entire book, the special providence of God over those who are faithful to Him is brought out in clear contrast to the fate of those who ignore His guiding hand. The truth is the same whether in the history of nations or individuals. As *The Story of Daniel the Prophet* goes forth on its mission of love for the Great Master, may it prove a blessing to all classes, young and old, rich and poor, learned and unlearned. I'll Pray Anyway Marilyn Lashbrook, 2004 Retells the Biblical story of how God protected Daniel in the lions den.

**The Story of Daniel in the Lions' Den** Michael McCarthy, 2004 In this book follow the dramatic adventures of Daniel as he grows up in exile in the court of Babylon and through the power of his faith overcomes his rivals. The story aims to teach children the valuable life lesson of believing in oneself. *The Story of Daniel the Prophet* Stephen Nelson Haskell, 1908 The Exiled Prince Elizabeth Rice Handford, 1971 **The Story of Daniel the Prophet** Stephen N. Haskell, 2015-06-12 Stephen N. Haskell 1833-1922 was an evangelist, missionary, and writer in the early days of the Seventh Day Adventist Church. *The Book of Daniel*, 2005 The Anchor Bible series offers new book-by-book translations of the Old and New Testament and the Apocrypha with commentary. This volume on the Book of Daniel has been prepared by two distinguished biblical scholars from the faculty of the Catholic University of America: Alexander A. Di Lella, Professor of Old Testament, and the late Louis F. Hartman, Professor of Semitic Languages. The Book of Daniel was written as resistance literature to strengthen and console loyal Jews of the second century B.C. who had to endure religious, economic, and social oppression at the hands of Antiochus I. The inspiring stories in which Daniel and his companions Shadrach, Meshach, and Abednego survive the ordeals of the lions den and the fiery furnace dramatize for believers of all time the ultimate test of faith: the willingness to risk one's life for one's beliefs. The Book of Daniel also includes the famous incident of the handwriting on the wall and recounts the four vivid dream visions or apocalypses which, through symbols and signs, offered interpretations of history and predictions of future deliverance. Louis F. Hartman and Alexander A. Di Lella have revealed the

profound religious and human dimensions of the Daniel stories They present Daniel as a colorful and dramatic hero unique in biblical literature an enduring symbol of hope and salvation for all men and women of faith who must suffer for their beliefs

**God Is My Judge: The Story of Daniel Retold as Fiction** Malachi Letto,2013-08-12 The Book of Daniel tells the story of one of the greatest Bible Characters ever Daniel interpreted dreams of kings faced lions and led his life like there was no tomorrow This book takes you back in time and retells the Book of Daniel as historical fiction This book is a reimagined version of the classic Biblical tale It gives new energy and life to the story and will help give a new appreciation of the story

*Facing the Lions* James L Crawford Th D,2020-11-09 The story of Daniel is one of the best known stories from the Old Testament that is often misunderstood The author wants the reader to picture the life of Daniel wise advisor to the kings This book is taking the book of Daniel as a literal story and trying to put together the life of the man who lived to be very old Though much of the story is fiction it follows the story as it is given in the Bible as well as drawing from archeological information and the author's own imagination weaving a tale of the prophet who served under six kings while in exile Travel back in history and read the tale of Daniel and his friends Shadrach Meshach and Abednego facing the lions as they navigate life within the pagan Babylonian kingdom The author hopes that one might discover things about Daniel that they did not know before Daniel was not a fairy tale a figment of fiction but an historical man and this is a biblically based story of his life

The Book of Daniel Thomas Nelson,2007-06-17 When reading the Book of Daniel you'll be inspired by Daniel's integrity and amazed by his God-given prophecies Many of these events have already taken place or are now unfolding exactly as predicted The Smart Guide to the Bible The Book of Daniel will help you understand and prepare for God's triumphant plan Learn about Obeying God Priorities Prophecies Prophets Trusting God Spiritual Warfare God's Sovereignty End of the Age Powers And More The Smart Guide to the Bible is a series of simplified commentaries designed to uncomplicate God's word for everyday Bible readers Every page contains handy features or learning aids like these cross references to other Scriptures brief commentaries from experts points to ponder the big picture of how passages fit with the entire Bible practical tips for applying biblical truths to life simple definitions of key words and concepts interesting maps charts and illustrations wrap ups of each biblical passage study questions Whether you're new to the Bible a long time student of Scripture or somewhere in between you'll appreciate the many ways The Smart Guide to the Bible The Book of Daniel goes far beyond your typical Bible study tool The practical relevant helps on each page lead you to get the most out of God's word

*The Story of Daniel* J Carl Laney,2024-07-16 The book of Daniel contains some of the classic and most memorable stories of the Bible From an early age children are captivated by the accounts of Daniel in the lions den Daniel's three friends in the fiery furnace and the handwriting on the wall at Belshazzar's feast Even as adults we still find these stories engaging and brimming with relevant applications for the challenging days of the 21st century Yet the book of Daniel is more than an exciting story Daniel's prophecy is rich in practical theology The account of Nebuchadnezzar's pride and downfall

emphasizes the fact that God alone is sovereign and that he is the hand in the glove behind the rise and fall of leaders and nations Daniel's visions reveal that God is sovereign over the future of the Gentile nations as well as the nation of Israel The book of Daniel also reveals a great deal about Israel's Messiah the son of man who takes his seat with the Ancient of Days and exercises divine authority Could it be significant that the epitaph son of man first appearing in Daniel 7:13 is used 83 times in the four Gospels referring to Jesus Some of the prophecies of Daniel have been fulfilled in the past such as the rise and rule of Antiochus Epiphanes who desecrated the Jerusalem temple in 167 BC The fulfillment of past prophecies gives readers confidence that Daniel wrote by divine inspiration and that his prophecies about the future will be literally fulfilled as well In The Story of Daniel we will explore the book of Daniel chapter by chapter looking for the abiding truths of God's Word and the practical application of these truths for today

**Studies in the Book of Daniel** Robert Dick Wilson, 1917 This commentary on the Biblical Book of Daniel answers crucial questions about the significance of his prophecy and of the culture he lived among Not content with simply interpreting the prophecy of Daniel Robert Dick Wilson delves into the social historical and cultural aspects of ancient Babylonia The significance of Nebuchadnezzar II in the story of Daniel how his dreams were interpreted to become some of the most significant aspects of Old Testament prophecy is discussed Other chapters focus on the Chaldeans and their society the opposition that Babylon had to Israel Daniel himself being a captive Hebrew man taken from his homeland as a child and the possibility that Nebuchadnezzar was mentally ill The allusions to the events at the King's court in the Book of Daniel are examined in detail with conclusions drawn to the most reasonable extent possible Certain elements of the story such as Daniel being placed in a den of lions are deemed to have been likely The existence of vast prides of lions roaming the then very fertile Euphrates plains and the discovery of lion reliefs and sculpture in ancient Babylonian excavations make a specially built den of lions a distinct possibility Robert Dick Wilson was a linguist who studied the Bible Fluent in Greek Hebrew Aramaic and other ancient tongues his scholarly gifts were famous in his native Pennsylvania and beyond Part of the Presbyterian movement he spent most of his life seeking to prove the veracity and truth of the Biblical lore

*The story of Daniel* Lucy Diamond, 1957      *Understanding the Book of Daniel* Pastor Bruce Ball, 2020-11-25 The bible book of Daniel is a book of prophecies that were given to Daniel by God It is about human kind and what will happen if humans continue to sin against God and it also details what will happen if humans stop sinning against Him and turn towards Him It not only details the story of how Daniel and his friends were thrown into a blazing furnace yet walked out without them or the clothes they were wearing being singed by that fire It also tells about when Daniel was put into the lions den overnight and survived But it does more than just tell us the stories It tells us why they happened and how Daniel survived both incidents You will find intrigue suspense and even joy in this book
