The Story Of Jesus Ellen Gould White,2014-11-03 The Story Of Jesus is Ellen Gould White's adaptation of her own work Christ Our Saviour for a children's audience. This beautiful narrative of Jesus' life on earth was prepared by the author's son while he was working with mostly illiterate slaves in the South of the United States. It is wonderful to read and tell even for persons with a limited vocabulary. He tells the fascinating account of everything that happened in Jesus' life from his birth to his ascension as well as what happened in the church after he left. *The Jesus Story* is perfect for new Christians longing to get to know Jesus or long time believers wanting to recapture the awe and amazement of hearing this remarkable story for the first time

The Life of Jesus Christ Russell Shaw, 2021-07-23

How often have you heard the Gospel at Sunday Mass and wondered What happens next? Often our only experience of the Gospels is of those isolated segments taken out of context like unassembled pieces of a jigsaw puzzle rather than the story of our Savior's life. *The Life of Jesus Christ* Understanding the Story of the Gospels aims to change that experience. Author Russell Shaw weaves together the events of Matthew, Mark, Luke and John's narratives in chronological order to capture a true and rounded picture of Jesus' life. *The Life of Jesus Christ* is the scriptural companion you've been searching for. Together the four Gospels reveal Jesus Christ God Incarnate as a man of complexity and depth, compassionate but stern, who knew how to laugh and how to cry, a charismatic leader uninterested in worldly power, a subtle thinker who drew sublime messages from

ordinary life With Shaw guiding you you ll truly get to know the Son of God in a new way ABOUT THE AUTHOR Russell Shaw is an author and journalist who has written more than twenty books For eighteen years he was secretary for public affairs for the National Conference of Catholic Bishops United States Catholic Conference He later oversaw media relations for the Knights of Columbus for ten years The Untold Story of Jesus ,2024-03-05 Jesus comes to life in this fascinating modern biography excerpted from The Urantia Book Many of these historical stories are familiar to readers of the New Testament but dozens are new including the missing years not found in the Bible Here you discover Jesus presented as never before both as divine Son and human hero whose matchless life inspires comforts and transforms you It is beautifully written in modern page turning prose and complemented with 106 paintings from 35 renowned artists including 42 originally commissioned works you will see for the first time The paintings run the gamut of fine art celebrating the life of Christ both classic and modern These artists poured their souls into these portraits of higher spiritual reality Our deep appreciation and humble gratitude go out to each one of them These paintings illustrate Jesus life journey from his humble birth and childhood to adolescence and manhood from private to public ministry and on to his death resurrection and ascension The artwork celebrates his diverse life as son father brother carpenter boat designer and builder tutor translator caravan conductor teacher healer minister and friend No one knows what Jesus looked like but these artists painted their soulful interpretations to spark our imagination of these scenes from the Master s life Our intent is to give you a visual communion with Jesus that complements the enthralling narrative This impeccably designed book provides relevant and empowering spiritual insights helping you navigate the challenging yet promising conditions of the 21st century We live in an exciting era of unprecedented improvements in our material lives brought about by scientific industrial and social achievements Yet despite all this progress many souls feel lonely and displaced We need God and have an innate thirst for spiritual answers because of that still small voice that lives within us Finding God by living the personal religion of Jesus satisfies that thirst The search for the genuine Jesus continues to intrigue humanity Since the Bible only records an estimated 50 days of his life it follows that there is more to his story You will find it here in this detailed history of the Master s entire life including the public ministry recorded in the Gospels It provides a coherent and seamless biography of this magnificent personality who continues to shape spiritual progress in our world The story of Jesus is one of the most enthralling chapters in human history The closing passage of the Apostle John s gospel speaks to a life larger than even the world itself How fitting that the last words of his gospel should be the first words of this book But there are also many things which Jesus did were every one of them to be written I suppose that the world itself would not contain the books that would be written In John s day the Word was made flesh In these days the Word is made book The Untold Story of Jesus reveals the living Christ to members of the church that bears his name as well as to worshipers of all world religions It is sure to become a favorite volume for all who seek God
