## **Straight Astray:**

*A Structural Commentary on the So-Called Antilegomena* Kalina Wojciechowska, Mariusz Rosik, 2024-06-17 The structural approach facilitates exposure of the elements of eschatological teaching characteristic of 2 Peter's author with its correct or incorrect interpretation. Narratives drawn from Jewish tradition aim to show two attitudes towards the announcement of destruction: a positive attitude signifying salvation and a negative attitude signifying annihilation. This pattern is transferred to the attitude towards prophetic and apostolic eschatological teaching. Part 1 of the commentary 2 Pet 1:2 focuses on the misinterpretation of this teaching by false teachers and their followers. Their eschatological scepticism is ridiculed and their grim fate described. As the starting point for this description and Peter's whole line of argumentation 2 Pet 2:3b is taken the thesis that God's inaction is only apparent while judgment and punishment are inevitable although only God knows when they will be executed. Part 2 of the commentary 2 Pet 3 focuses on the proper interpretation of this teaching and on laying out the principles of the letter author's hermeneutics. This hermeneutic construes texts from Jewish tradition as foreshadowing and typologies of eschatological events. In explaining the principles of his hermeneutic the letter's author drew on the creation story which Jewish apocalypticism read inversely to mark that the eschatological hermeneutics is rooted in tradition. The starting point of Peter's line of argumentation was taken to be 2 Pet 3:5-7 with its thesis of God's creative and destructive word and God's sovereign will regarding the preservation of creation and the appointment of the time of judgement. This thesis explains the apparent lack of divine action which was also a major concern in Part 1 of the commentary 2 Pet 1:2.

*The Interpretation of The Meaning of The Holy Quran Volume 14 - Surah Al-Maidah verse 61 to 120* Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars, and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English. For this very reason I have written the interpretation of the Holy Quran in English.
