Straight Talk About Todays Families

Anton Purcell

Straight Talk About Today's Families:

Journey Towards Professionalism: Straight Talk for Today's Generation Jonathan R. Key, 2012-01-09 Journey Towards Professionalism Straight Talk for Today's Generation is the highly anticipated new book written with an in your face straight forward style aimed at today's generation This simplistic and direct effort focuses on getting back to the basics of being a professional in the workplace The author points out Young generations today have had too many things in their lives sugar coated I wanted to help them by bringing to light some of the vital traits on how to be a professional in a no nonsense manner He adds A large number of parents grandparents or loved ones can use this book as a tool Teaching new generations how to be professional in the workplace is something we all want to do

Family Disintegration Anton Purcell, 2002 The contemporary family is being distracted disturbed and distraught by societal pressures from every direction The nuclear family concept believed crucial to child rearing is becoming pass according to census data Or has the wave of disruption to families crested It is hoped that this bibliography will serve as a useful tool to researchers seeking further information on families and the pressures being exerted upon them in the 21st century

Family Matters Hilde Løvdal Stephens, 2019-10-15 The first full length study of a pivotal figure in American evangelical faith James Dobson child psychologist author radio personality and founder of the Christian conservative organization Focus on the Family published his first book Dare to Discipline in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson's principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s Family Matters James Dobson and Focus on the Family's Crusade for the Christian Home by Hilde Løvdal Stephens is an insightful history and analysis of James Dobson's rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched Løvdal Stephens scoured through Dobson's books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson's reign Løvdal Stephens's discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth century conservative Christianity in the United States She explores complex topics ranging from Dobson's celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the

realities of divorce working mothers and other perceived threats to the traditional family **Religion and the Marketplace in the United States** Jan Stievermann, Philip Goff, 2015 This collection of essays focuses on the diverse interactions between religious and commercial practices in U S history Studying religion and the marketplace from various angles each chapter offers insights into a long and intimate relationship between two aspects of American culture
