Strange Differences:

Types of Mankind Or, Ethnological Researches Josiah Clark Nott, George Robins Gliddon, Samuel George Morton, 1854

The Descent of Man, and Selection in Relation to Sex ... Second Edition, Revised and Augmented, with Illustrations. Tenth Thousand Charles Darwin, 1874 The Pastoral Epistles George W. Knight, 2013-10-23 This is a thorough full scale English commentary on the Greek text of 1 and 2 Timothy and Titus While author George W Knight gives careful attention to the comments of previous interpreters of the text both ancient and modern his emphasis is on exegesis of the Greek text itself and on the flow of the argument in each of these three epistles Besides providing a detailed look at the meanings and interrelationships of the Greek words as they appear in each context Knight's commentary includes an introduction that treats at length the question of authorship he argues for Pauline authorship and proposes on the basis of stylistic features that Luke might have been the amanuensis for the Pastoral Epistles the historical background of these letters and the personalities and circumstances of the recipients Knight also provides two special excursuses the first gathers together the information in the Pastorals and elsewhere in the New Testament on early church offices and leaders the other excursus examines the motivations for conduct in Titus 2:1-10 with a view to their applicability to present day situations

Euthalian Traditions Vemund Blomkvist, 2012-10-30 The Euthalian apparatus is a corpus of auxiliary texts that summarize Acts and the New Testament Letters The material is found in a great number of Greek biblical manuscripts Some sources identify the author as Euthalius bishop of Sulci but almost nothing is known about this figure Vemund Blomkvist's study is based on the idea that the biblical text and the apparatus form a system and that this system may be studied as a unity The commentary shows that the different genres of the apparatus offer quite different paraphrases of the apostolic writings The arguments present a radicalized interpretation of Paul's theology while the chapter titles seem to be closer to the biblical text Together with Prof David Hellholm Blomkvist has published a study on the meta terminology of the apparatus Paraenesis as an ancient genre designation 2002 also included in the present volume **Psychology for AS**
