## Strange Histories:

**Strange Histories** Darren Oldridge,2017-09-22 Strange Histories is an exploration of some of the most extraordinary beliefs that existed in the late Middle Ages through to the end of the seventeenth century Presenting serious accounts of the appearance of angels and demons sea monsters and dragons within European and North American history this book moves away from present centred thinking and instead places such events firmly within their social and cultural context By doing so it offers a new way of understanding the world in which dragons and witches were fact rather than fiction and presents these riveting phenomena as part of an entirely rational thought process for the time in which they existed This new edition has been fully updated in light of recent research It contains a new guide to further reading as well as a selection of pictures that bring its themes to life From ghosts to witches to pigs on trial for murder the book uses a range of different case studies to provide fascinating insights into the world view of a vanished age It is essential reading for all students of early modern history

**Strange Stories from the Lodge of Leisures** Songling Pu,2022-09-15 Pu Songling's Strange Stories from the Lodge of Leisures is an exquisite tapestry of fantastical narrations steeped in the rich folklore and culture of 17th century Qing dynasty China The author employs a blend of wry humor and subtle critique deftly navigating through varied terrains of the human and the supernatural These tales oscillate between the trappings of the mortal and the ethereal capturing the eccentricities of the elite alongside encounters with otherworldly beings The narrative style is marked by a crisp economy of words yet imbued with a lyrical quality that underscores the timeless nature of its content offering a remarkable reflection of society within a literary context inflected by Confucian moral principles Songling Pu a masterful chronicler of the strange and the extraordinary channels his keen observations of the social hierarchy and the cultural dynamics of his time into his writing The diverse range of his stories manifests his deep insight into the human condition and his satirical edge surfaces as a response to the rigid class structures and the bureaucracies of his era Pu's background as a scholar familiar with classical Chinese literature and philosophy is evident in the allegorical layers embedded within his narratives which continue to resonate with contemporary audiences and scholars alike Recommended for aficionados of classic literature and those intrigued by Chinese mythos Strange Stories from the Lodge of Leisures offers a captivating glimpse into a world where the mundane and the magical collide Pu Songling serves as an essential voice of his culture and his work endures as a notable contribution to the canon of world literature This collection with its enduring themes and vivid portrayal of a society long past is poised to enchant educate and provoke thought in equal measure
