## **Strange White Doves:**

*The Strange White Doves* Alexander Key, 2014-07-29 In the behavior of animals an author discovers the limitless possibility of nature In a wild stretch of countryside where only the toughest creatures can survive an author witnesses a miracle a white dove His young companion chases after the bird catching it easily with his bare hands a second miracle He takes it home as a pet and there they find the third miracle of the day the dove s mate who traveled hundreds of miles to reunite with her vanished beloved But how did she know where to find him and what does her journey tell us about the mysteries of the wild To the author the miracle of the doves is too remarkable to be explained by instinct He suspects they share a kind of telepathy and he begins to see signs of other unspoken mysteries everywhere he looks from insects on the ground to branches on the trees Life is a mystery but the answers await us if like the doves we know how to listen
