Stranger At The Palazzo Doro:

The Stranger at the Palazzo D'Oro Paul Theroux, 2004-10 Stories deal with lust sensuality and rites of passage as a sixty year old man recalls a long ago affair with a countess a young boy walks in on a woman and her lover and a retired lawyer in Hawaii fantasizes about his housekeepers *Sunrise with Seamonsters* Paul Theroux, 1986-05-08 This collection of wide ranging essays from the New York Times bestselling travel writer is a steamer trunk full of delights Chicago Sun Times This collection of decidedly opinionated articles essays and ruminations by the author of *My Other Life* and *Kowloon Tong* transports the reader not only to exotic unexpected places in the world but also into the interior life of the writer himself Whether it is his time serving in the Peace Corps his memorable interview with tennis star John McEnroe bearing witness to the uprising in Uganda or the debt he owes to his mentor V S Naipaul Theroux approaches each subject with characteristic intelligence insight and an eye for life's great ironies Over the course of two decades Paul Theroux gathers people places and ideas in precise evocative writing that serves as both the camera and the eye and both the details and the illusions are developed with brilliance Time What makes Mr Theroux most persuasive as a writer is simply his willingness to put himself on the line Gusty personal and astonishing The New York Times These pieces prove anew Theroux's unflagging infectious enthusiasms sic for exploring Kirkus Reviews **Picture Palace** Paul Theroux, 1978 World famous photographer Maude Coffin Pratt has pointed her lens at the beautiful obscure and obscene and at the private places and public parts of the famous from Gertrude Stein to Graham Greene When the seventy year old Maude rummages through her archives in preparation for a triumphant retrospective the resurrected images unleash a flood of suppressed memories of her extraordinary life her celebrated subjects and the dark painful secret at the core of her existence [On the Plain of Snakes](#) Paul Theroux, 2019 Legendary travel writer Theroux drives the entire length of the U S Mexico border then goes deep into the hinterland to uncover the rich layered world behind today's brutal headlines **The Lower River** Paul Theroux, 2012-05-22 Hock knows he is ensorcelled by exoticism but he can't help himself And as things go from bad to worse and the pages start to turn faster neither can we A Entertainment Weekly When he was a young man Ellis Hock spent four of the best years of his life with the Peace Corps in Malawi So when his wife of forty two years leaves him he decides to return to the village where he was stationed in search of the happiness he'd been missing since he left But what he finds is not what he expected The school he built is a ruin the church and clinic are gone and poverty and apathy have set in among the people They remember Ellis and welcome him with open arms Soon however their overtures turn menacing they demand money and refuse to let him leave the village Is his new life an escape or a trap Theroux's bravely unsentimental novel about a region where he began his own grand career should become part of anybody's education in the continent Washington Post The Lower River is riveting in its storytelling and provocative in its depiction of this African backwater infusing both with undertones of slavery and cannibalism savagery and disease New York Times Book Review **Blinding Light** Paul

Theroux, 2012-06-12 Slade Steadman's lone opus published twenty years ago was *Trespassing* a cult classic about his travels through dozens of countries without benefit of passport. With his soon-to-be ex-girlfriend Ava in tow, Steadman sets out for Ecuador's jungle in search of a rare hallucinogenic drug and the cure for his writer's block. Amid a gang of thrill-seeking tourists, he finds his drug and his inspiration but is beset with an unnerving side effect: periodic blindness. His world is altered profoundly. Ava stays by his side; he writes an erotic autobiographical novel with the drug serving as muse; and he returns to stardom. Steadman becomes addicted to the drug and the insights it provides only to have them desert him along with his sight. Will he regain his vision? His visions? Or will he forgo the world of his imagining and his ambition? As Theroux leads us toward the answers, he makes fresh magic out of the venerable intertwined themes of sight and insight. He also offers incisive, sometimes hilarious takes on the manifold ironies of travel, of trespass and transgression, and of the trappings of the writer's life: from the fear of the blank page to the unexpected challenges of the book tour. Middle East Garden Traditions Michel Conan, Dumbarton Oaks, 2007 This book unites new information and surprising results from the last fifteen years of garden research at a remove from the clichés of Orientalism. Garden archaeology reveals the economic importance of Judean gardens in Roman times and the visual complexity of gardens created and transformed in Moorish Spain. More contemporary approaches unravel the cultural continuities, variations, and differences between gardens in the Middle East since Roman times and in the Islamic world. **Mother Land** Paul Theroux, 2017-05-09 Theroux possesses a fabulously nasty sense of humor. Stephen King, New York Times Book Review To those in her Cape Cod town, Mother is an exemplar of piety, frugality, and hard work. To her husband and seven children, she is a selfish, petty tyrant. She excels at playing her offspring against each other. Her favorite, Angela, died in childbirth; only Angela really understands her; she tells the others. The others include the officious lawyer Fred, the uproarious professor Floyd, a pair of inseparable sisters whose devotion to Mother has consumed their lives, and JP, the narrator, a successful writer whose work she disparages. As she lives well past the age of one hundred, her brood struggles with and among themselves to shed her viselike hold on them. *Mother Land* is a piercing portrait of how a parent's narcissism impacts a family. While the particulars of his tale are unique, Paul Theroux encapsulates with acute clarity and wisdom a circumstance that is familiar to millions of readers. Paul Theroux ladles a steaming cup of dysfunctional family chowder in *Mother Land*. Vanity Fair An engrossing, emotionally tangled and often merciless examination of family and self. *Mother Land* is a bittersweet, brutally frank family saga that offers enough redemption to make the journey worth it. Shelf Awareness Mr. Bones Paul Theroux, 2014-09-30 Suave and accomplished. The stories are unsettling, resistant to tidy denouement, and faintly misanthropic. Washington Post Beneath the deceptive elegance of these stories, land mines lurk, and Theroux detonates them with gusto. O the Oprah Magazine A family watches their patriarch transform into the singing, wisecracking lead of an old-timey minstrel show. An art collector publicly destroys his most valuable pieces. Two boys stand by as their father wages war on the raccoons living under their house. In this new collection, acclaimed author Paul

Theroux shows us humanity possessed consumed by compulsive desire always with his carefully honed eye for detail and the subtle idiosyncrasies that bring his characters to life Searing dark and sure to unsettle Mr Bones is a stunning display of Theroux s fluent faintly sinister powers of vision and imagination The New Yorker Fans of Theroux s fiction will be pleased to observe in the twenty stories collected in Mr Bones clear evidence of how little he has mellowed over time Mr Bones is a series of characteristically dark and sharply focused snapshots from the world that Paul Theroux has observed and invented Francine Prose New York Times Book Review *A Stranger in Corfu* Alex Preston,2026-02-12 Suspenseful vivid and impossible to put down TOM HOLLAND Laced with thrills EVIE WYLD Utterly gripping ADAM RUTHERFORD On the Greek island of Vidos the past lingers like salt in the air The inhabitants former members of MI6 are sent here to be forgotten Exiled Either too damaged or too compromised to be allowed to live freely For years residents make the best of their fate old enemies reconcile long lost friends swim together in the warm sea and estranged lovers share a bed once more But secrets bind tightly And when one of their own washes up dead alliances fracture and a tide of suspicion begins to rise A vivid reimagining of a real hidden slice of the British Intelligence Service s history *A Stranger in Corfu* is an exquisitely tense and masterfully spun novel about shadowy morality unravelled secrets and the futility of trying to outrun the past **Figures In A Landscape** Paul Theroux,2018-05-08 A portrait of an optimist with curiosity and affection for humanity in all its forms The New York Times Book Review Theroux is at the top of his game with his third collection of essays a magisterial grouping of intimate remembrances globe trotting adventures and incisive literary critiques Publishers Weekly Starred Review Theroux s observations are so keen and writerly skills so sharp that he butter slices narratives with a razor thin surgeon s scalpel masterfully serving up both the world s dark underbelly and its gloriously uplifting sustenance of love longing and wonder lust Forbes Paul Theroux s latest collection of essays applies his signature searching curiosity to a life lived as much in reading as on the road This writerly tour de force features a satisfyingly varied selection of topics Travel essays take us to Ecuador Zimbabwe and Hawaii to name a few Gems of literary criticism reveal fascinating depth in the work of Henry David Thoreau Muriel Spark Joseph Conrad and Hunter Thompson And in a series of breathtakingly personal profiles we take a helicopter ride with Elizabeth Taylor go diagnosing with Oliver Sacks eavesdrop on the day to day life of a Manhattan dominatrix and explore New York with Robin Williams An extended meditation on the craft of writing binds together this wide ranging collection along with Theroux s constant quest for the authentic in a person or in a place **The Dividing Stream** Francis King,1951 British and Americans in Post war Florence New York ,2003 *Mothers* Ian Jack,Former Professor of English Ian Jack,2005 This issue of Granta includes Edmund White on his mother s girdle John McGahern on his mother s religion and Alexandra Fuller on motherhood in Zambia **The New Yorker** ,2004 **Concise Major 21st-Century Writers** Tracey L.
