Stranger In The Mist Time Twist:

Strangers in the House Raja Shehadeh, 2025-09-09 Discover the Classic Coming of Age Memoir that Captures the Palestinian Experience for Members of every Generation since the 1948 Nakba Unusually honest beautifully written New York Times Book Review With a New Afterword by the Author In this new edition of his groundbreaking memoir Palestinian lawyer and human rights activist Raja Shehadeh offers a moving description of the daily lives of those who have been determined to remain on Palestinian land under Israeli occupation and refusing to relent in the face of efforts to drive them out by making their lives unbearable Growing up in the shadow of home in the rural hills of the West Bank he was introduced early to political conflict He witnessed the numerous arrests of his father Aziz Shehadeh who in 1967 was the first Palestinian to advocate a peaceful 2 state solution for the Israeli Palestinian conflict He predicted that if peace were not achieved what remained of the Palestinian homeland would be taken away bit by bit through Israeli settlement Ostracized by his fellow Arabs and disillusioned by the failure of either side to recognize his prophetic vision Aziz retreated from politics He was murdered in 1985 Strangers in the House is also the family drama of a difficult relationship between an idealistic son and his politically active father complicated by the arbitrary humiliation of the occupier's law A new Afterword provides an update on the investigation into his father's murder a history that reflects continued official Israeli efforts to dehumanize Palestinians and to extinguish once and for all the possibility of a 2 state solution
