Strangers Touch:

Truthoring Randi B,2020-11-03 Awareness Love Unity As much as we ve been quited muzzled and diluted eventually and magnificently we start truthoring **The Complete Guide to Old English Sheepdogs** Malcolm Lee,2020-11-23 The PERFECT guide for any new Bobtail owner Learn everything you need to know including Preparing your home for a Sheepdog Training during the first few weeks Proper Nutrition and Diet for a Sheepdog Avoiding the common mistakes most new Old English Sheepdog owners make Exercise tips and Socialization ideas See an Old English Sheepdog in the show ring with its immaculately groomed flowing coat and it s hard to imagine the hard knock life for which they were originally bred Beneath all that fur and abundant fringe there lies the heart and soul of a working dog Big boned and robust the Old English Sheepdog is never happier than when at the center of attention or in the middle of the action First appearing in the mid 1700 s this comparative newcomer to the canine world was originally bred for the tough life of a drover in Southwest England Here they were responsible for driving sheep and cattle to market It was at this time that they picked up the nickname Bob Tails because of their docked tails which identified them as working dogs and allowed their owners to avoid paying pet tax Tasked with guarding and moving sheep and cattle across windswept moors and dales they are doubly blessed with brain and brawn Their loyalty and companionship are beyond reproach but it is the breed s sense of fun that is as strongly imprinted in their DNA as their instinct to herd The Old English Sheepdog is often called the clown prince of dogs which is a great indication of the indelible imprint he leaves on owners and breeders alike A large breed adult Old English Sheepdogs reach around 21 22 at the shoulder and weigh as much as 80 pounds Hugely affectionate and attention seeking they will never be far from their owner s side So if personal space is high on your list of priorities this may not be the ideal breed for you As long as an OES is part of the family it doesn t matter if you live in a penthouse or a farmhouse What does matter though is exercise and lots of it Be aware this love of human company also means that your new best friend will not make a good yard dog Everything about this breed is larger than life from their abundant shaggy coat to their outgoing quirky character They also live to around 12 years of age so making this affable breed of dog a member of the family is a long term commitment For all these reasons knowledge of this large breed is essential before committing to welcoming one into your family Are you intending to go down the puppy route or maybe offering a loving home to a rescue dog Then the chapters of this guide will provide you with all the information you need to get the best from your big bouncy bob tail Hinduism Axel Michaels,2021-08-10 Hinduism is currently followed by one fifth of humankind Far from a monolithic theistic tradition the religion comprises thousands of gods a complex caste system and hundreds of languages and dialects Such internal plurality inspires vastly ranging rites and practices amongst Hinduism s hundreds of millions of adherents It is therefore not surprising that scholars have been hesitant to define universal Hindu beliefs and practices In this book Axel Michaels breaks this trend He examines the traditions beliefs and rituals Hindus hold in common through the lens of what he deems its

identificatory habitus a cohesive force that binds Hindu religions together and fortifies them against foreign influences Thus in his analysis Michaels not only locates Hinduism's profoundly differentiating qualities but also provides the framework for an analysis of its social and religious coherence Michaels blends his insightful arguments and probing questions with introductions to major historical epochs ample textual sources as well as detailed analyses of major life cycle rituals the caste system forms of spiritualism devotionalism ritualism and heroism Along the way he points out that Hinduism has endured and repeatedly resisted the missionary zeal and universalist claims of Christians Muslims and Buddhists He also contrasts traditional Hinduism with the religions of the West where the self is preferred to the not self and where freedom in the world is more important than liberation from the world Engaging and accessible this book will appeal to laypersons and scholars alike as the most comprehensive introduction to Hinduism yet published Not only is Hinduism refreshingly new in its methodological approach but it also presents a broad range of meticulous scholarship in a clear readable style integrating Indology religious studies philosophy anthropological theory and fieldwork and sweeping analyses of Hindu texts

Not Quite Married Christine Rimmer,2015-05-01 A BRAVO BABY BRINGS SECOND CHANCES It was hard enough for Clara Bravo to face gorgeous Dalton Ames after he ended their idyllic fling But confessing that she was pregnant took real guts Oh Clara didn't lack the fortitude to notify Dalton of his impending fatherhood It was turning down the irresistible banker's proposal just for their baby's sake that she found difficult Dalton pushed Clara away because he couldn't risk his heart again after his recent divorce not because he didn't feel anything for the brunette beauty When he discovered her pregnancy Dalton was determined to create the picture perfect home with the one woman he could never forget Now if only he could convince Clara that their family was forever
