## **Strategic Database Marketing:**

Strategic Database Marketing Arthur Hughes, 2006 Web focused strategies for turning a company's customer list into its most powerful competitive advantage For more than a decade Strategic Database Marketing has been a popular and authoritative how to on database marketing referred to every day by marketing practitioners around the world. Featuring dozens of innovative workable strategies it has shown marketers how to profitably manage customer relationships, retain loyalty, increase the incremental profits from each customer in the database and more. Fast changing tools and technologies require author and database marketing pioneer Arthur Hughes to update the book's data and techniques. This substantially revised third edition features A completely new chapter on modeling and appended data. New details on fast changing Web technologies and marketing. Updated material on prospecting, warehousing and filtering. In depth discussion of prospect databases, one of marketing's newest and most promising innovations. *Strategic Database Marketing* Arthur Middleton Hughes, 2000 Annotation

**Strategic Database Marketing 4e: The Masterplan for Starting and Managing a Profitable, Customer-Based Marketing Program** Arthur Hughes, 2011-12-20 Use the latest digital technologies for lifelong customers and repeat sales. Arthur Middleton Hughes is database marketing's Great Explainer. He has a unique gift for taking complex subjects and breaking them down in ways people can easily understand. This is the most approachable book I have ever read on the subject. Ken Magill Publisher The Magill Report Strategic Database Marketing is a must read for anyone in CRM or e-mail marketing. The Customer Lifetime Value information and formula is critical to utilize. Arthur's information makes it easy to update with your e-mail metrics and improve KPIs to know the success of each marketing program. David Horwedel eCRM Program Manager Dell Arthur Hughes is truly a direct marketing database guru. This edition of Strategic Database Marketing is a must read for any marketer in today's ever changing environment. Vicki Updike President Miles Kimball Company Strategic Database Marketing objectively challenges the very way we go about using our data and where we should be going in the future. It is an important informative and enjoyable read. Matt Edgar Founder Global Marketing Alliance and publisher of Direct Marketing International Strategic Database Marketing provides the fundamentals of consumer data management that every marketer should know. Arthur's insight into utilizing e-mail and social media both as a data source and communication medium is key to creating the highly relevant and targeted messaging that today's consumers demand. Angela Sanchez Sr Director of Marketing Universal Music Group Arthur Hughes describes how smart marketers amass the mounds of valuable customer data accumulated by their company, find common characteristics among those individuals and then suggest a product or service that customers will be eager to purchase even before they know they want to buy it. Kathryn Kiritis Director Online Marketing Avis Budget Group Read this book if you are looking to make sense of the complexities of database marketing in the digital world. Mr Hughes has produced a tour de force. Steve Cobden CMO Thompson Company of Tampa Inc I have learned so much from Arthur Hughes over the years. This book is no

exception He continues not only to address theory but also offer practical measurable application Sue Coakley Sr Director Customer Contact Strategy Yahoo About the Book Since the previous edition of Strategic Database Marketing was published in 2006 digital tools like Google e mail mobile devices and social networking sites have completely changed the game Customer outreach knows no boundaries program management is more complex and smart use of databases is absolutely critical to success With these new challenges though come great opportunities and this thoroughly updated new edition has everything you need to seize them all Retaining all the tips tactics and strategies that have made Strategic Database Marketing the go to resource for marketers who take their craft seriously this classic guide gives you the most current tools and techniques for gathering and measuring metrics and making accurate predictions with them Completely revised and updated this new edition covers all the foundational database marketing principles and practices including Lifetime value LTV Building profits with recency and frequency The off e mail sales multiplier Customer and subscriber acquisition Monetary RFM analysis Expanding retail store traffic Customer segmentation Analytics and modeling Loyalty marketing Measuring the impact of social media Testing and control groups Business to business database marketing All quizzes forms strategies charts and graphs are available online for instant reference and downloads The book also enables you to calculate the lifetime value of your subscribers and customers and sample online databases to quantify your efforts The personal customer information stored in your company s database files provides you with a unique and valuable competitive advantage But are you using that information productively Is your data difficult if not impossible for frontline employees to access when needed Strategic Database Marketing Fourth Edition is a one stop resource for making the best possible use of database marketing to meet your strategic goals while keeping up with the changing nature of the market **Strategic Database Marketing** Rob Jackson,Paul Wang,1994 Peter Diamandis exciting discovery will be shared by every reader of Strategic Database Marketing Rob Jackson and Paul Wang have swept aside the confusion that surrounds database technology and replaced it with the knowledge and competitive spirit it takes to create the kind of marketing system that will drive the growth of every successful organization This important book looks into the future and shows marketers and business managers how to take advantage of the countless opportunities new technologies have made available to them With the emergence of the database comes the means for organizations to communicate one on one with consumers and to tailor all products messages and customer services to meet and surpass customer expectations Strategic Database Marketing explains what the database is and how it can empower marketers the ABCs of database marketing the technology its applications and capabilities statistical techniques for market segmentation and profitability analysis and the critical role of database marketing in business growth Complete with a wealth of case histories that demonstrate database marketing in action Strategic Database Marketing is the book to lead today s marketers onto the highway to the future **Database Marketing** Robert Shaw,1988 **The Customer Loyalty Solution** Arthur Middleton Hughes,2003-03-13 How Today s Marketing

Leaders Have Bypassed the Experts to Craft Effective Inexpensive Customer Loyalty Programs Database marketing is today's most powerful tool for designing cost effective resource efficient marketing and operations programs The Customer Loyalty Solution cuts through theory and guesswork to examine how leading marketers from Land's End to IBM are using today's new breed of database marketing tools to compute lifetime value cut costs in every area and make databases easier to access and utilize from anywhere on the globe Praise for The Customer Loyalty Solution The Customer Loyalty Solution combines the best of traditional practice with contemporary market factors in terms that inspire and cut across industries

Straightforward enough for the upcoming 11 marketer as well as a great catch up for the seasoned practitioner Joe Rapolla VP Consumer Marketing Services Universal Music Group CLO Delivers practical solutions instead of hyperbole and theory Hughes makes this book fun to read and he gets his point across clearly Robert McKim CEO msdbm Well written and easy to understand Hughes imparts his wisdom to set realistic expectations and provides case studies adding real world application J C Johnson VP Database Marketing Fairfield Resorts Hughes distills the jargon and complexity of database marketing into a refreshingly straightforward and practical guide The Customer Loyalty Solution should be required reading for anyone serious about making database marketing work Jonathan Huth VP Relationship Database Marketing Scotiabank New technologies like the Web have brought unprecedented change to database marketing But some things never change Successful marketers have learned that to understand their customers they must still think like their customers who continue to ignore one time discounts to ask Why would I want to be that company's customer What's in it for me The Customer Loyalty Solution goes straight to the source revealing how marketers today are leveraging their database marketing programs to identify and attract the most profitable new customers increase current customer retention and repurchase and identify and reward their most loyal and profitable customers More than 40 detailed case studies and dozens of examples reveal success stories including Verizon's best in class datamart that realized a 1681 percent return on marketing investment Isuzu's database project that targeted only their best prospects and cut industry standard per unit sales costs in half Weekly Standard's variable headline strategy that increased direct mail response rates by nearly 25 percent Author and database marketing pioneer Arthur Hughes doesn't hide behind incomprehensible formulas and impossible to navigate layouts Each easy to follow chapter clearly addresses and explains a different piece of the database marketing puzzle Case studies are clearly marked and detail what went right or wrong Chapter ending synopses summarize the lessons to be learned in each chapter and clearly review what worked and what didn't These features and others combine with innovative charts and quizzes to ensure hands on understanding of material covered and make the book a timely practical guide The Customer Loyalty Solution reveals how database marketing and customer relationship management initiatives are making a difference today for the world's leading marketers It provides you with step by step techniques for benchmarking their efforts to develop intelligent strategies of your own understanding how and why they work and monitoring their results to continually

adjust and modify for changing market conditions The result will be far stronger customer loyalty more consistent repeat

*Optimal Database Marketing* Ronald G Drozdenko,Perry D Drake,2002-03-26 Destined to be the definitive guide to database marketing applications analytical strategies and test design Brian Kurtz Executive Vice President Boardroom Inc 2000 DMA List Leader of the Year and DMA Circulation Hall of Fame Inductee This book is well written with interesting examples and case studies that both illustrate complex techniques and tie the chapters together The level of detail and treatment of statistical tools and methods provides both understanding and enough detail to begin to use them immediately to target marketing efforts efficiently and effectively It is perfect for a course in database marketing or as a handy reference for those in the industry C Samuel Craig New York University Stern School of Business This book should be studied by all who aspire to have a career in direct marketing It provides a thorough overview of all essential aspects of using customer databases to improve direct marketing results The material is presented in a style that renders even the technical subjects understandable to the novice direct marketer Kari Regan Vice President Database Marketing Services The Reader's Digest Association Finally practical information on database marketing that tackles this complex subject but makes it clear enough for the novice to understand This book serves as more than a primer for any senior manager who needs to know the whole story As one who has spent over 20 years of his career involved in publishing and database marketing I have a real appreciation for how difficult it is to explain the finer points of this discipline while keeping it understandable This book does that admirably Well done Patrick E Kenny Executive Vice President Qiosk.com This book is especially effective in describing the breadth and impact of the database marketing field I highly recommend this book to anyone who has anything to do with database marketing works in or with this dynamic area Naomi Bernstein Vice President BMG Direct Ron Drozdenko and Perry Drake have written a guide to database marketing that is thorough and that covers the subject in considerable depth It presents both the concepts underlying database marketing efforts and the all important quantitative reasoning behind it The material is accessible to students and practitioners alike and will be an important contribution to improved understanding of this important marketing discipline Mary Lou Roberts Boston University and author of Direct Marketing Management I think it is a terrific database marketing book it's got it all in clear and logical steps The benefit to the marketing student and professional is that complex database concepts are carefully developed and thoroughly explained This book is a must for all marketing managers in understanding database issues to successfully manage and structure marketing programs and achieve maximum results Dante Cirille DMEF Board Member and Retired President Grolier Direct Marketing An excellent book on the principles of Direct Marketing and utilization of the customer database to maximize profits It is one of the best direct marketing books I have seen in years in that it is broad with specific examples I am going to require new hires to read this book to get a better understanding of the techniques used in Database Marketing Peter Mueller Assistant Vice President of Analysis Scholastic Grolier Division This is an amazingly useful book for direct marketers on how to organize and analyze

database information. It's full of practical examples that make the technical material easy to understand and apply by yourself. I strongly recommend this book to direct and interactive marketers who want to be able to perform professional database analyses themselves or be better equipped to review the work of analysts. Pierre A. Passavant, Professor of Direct Marketing, Mercy College and Past Director, Center for Direct Marketing, New York University. The most useful database marketing reference guide published today. The authors do an excellent job of laying out all the steps required to plan and implement an effective database marketing strategy in a clear and concise manner. A must have for academics, marketing managers and business executives. Dave Heneberry, Director, Direct Marketing Certificate programs, Western Connecticut State University and Past Chair, Direct Marketing Association. This book is essential for all direct marketers. It serves as a great introduction to the technical and statistical side of database marketing. It provides the reader with enough information on database marketing and statistics to effectively apply the techniques discussed or manage others in the environment. Richard Hochhauser, President, Harte Hanks Direct Marketing. Ronald G. Drozdenko, Ph.D. is Professor and Chair of the Marketing Department, Ancell School of Business, Western Connecticut State University. He is also the founding Director of the Center for Business Research at the Ancell School. He has more than 25 years of teaching experience. The courses he teaches include Strategic Marketing, Databases, Interactive Direct Marketing, Management Product Management, Marketing Research and Consumer Behavior. He is collaborating with the Direct Marketing Education foundation to develop a model curriculum for universities pursuing the area of interactive or direct marketing. Working with an advisory board of industry experts, he co-developed the Marketing Database course in model curriculum. Dr. Drozdenko has co-directed more than 100 proprietary research projects since 1978 for the marketing and research and development of several corporations including major multinationals. These projects were in the areas of strategic planning, marketing research, product development, direct marketing and marketing database analysis. He also has published several articles and book chapters. He holds a Ph.D. in Experimental Psychology from the University of Missouri and is a member of the American Marketing Association, the Society for Consumer Psychology and the Academy of Marketing Sciences. He is also the co-inventor on three U.S. patents. Perry D. Drake has been involved in the direct marketing industry for nearly 15 years. He is currently the Vice President of Drake Direct, a database marketing consulting firm specializing in response modeling, customer file segmentation, lifetime value analysis, customer profiling, database consulting and market research. Prior to this, Perry worked for approximately 11 years in a variety of quantitative roles at The Reader's Digest Association, most recently as the Director of Marketing Services. In addition to consulting, Perry has taught at New York University in the Direct Marketing Master's Degree program since Fall 1998, currently teaching Statistics for Direct Marketers and Database Modeling. Perry was the recipient of the NYU Center for Direct and Interactive Marketing's 1998-1999 Outstanding Master's Faculty Award. Perry also lectures on testing and marketing financials for Western Connecticut State University's Interactive Direct Marketing Certificate Program. Along with

Ron he is collaborating with the Direct Marketing Education Foundation to develop a model curriculum for universities pursuing the area of interactive or direct marketing Perry earned a Masters of Science in Applied Statistics from the University of Iowa and a Bachelor of Science in Economics from the University of Missouri The book evolved from an outlined developed by an advisory board of industry experts that was established by the Direct Marketing Educational Foundation Contemporary direct marketing and e commerce could not exist without marketing databases Databases allow marketers to reach customers and cultivate relationships more effectively and efficiently While databases provide a means to establish and enhance relationships they can also be used incorrectly inefficiently and unethically This book looks beyond the temptation of the quick sale to consider the long term impact of database marketing techniques on the organization customers prospective customers and society in general Ron Drozdenko and Perry Drake help the reader gain a thorough understanding of how to properly establish and use databases in order to build strong relationships with customers There is not another book on the market today that reveals the level of detail regarding database marketing applications the how s why s and when s Features Benefits Draws on numerous examples from real businesses Includes applications to all direct marketing media including the Internet Describes in step by step detail how databases are developed maintained and mined Considers both business and social issues of marketing databases Contains a sample database allowing the reader to apply the mining techniques Offers access to comprehensive package of academic support materials *The Complete Database Marketer: Second Generation Strategies and Techniques for Tapping the Power of Your Customer Database* Arthur Hughes,1995-09-01 Presents information on database marketing and includes topics such as media selection for database marketing the PC server and the mainframe hardware and software for database marketing selling the database to top management and measured marketing in retail chains **Database Marketing** Robert C. Blattberg,Byung-Do Kim,Scott A. Neslin,2010-02-26 Database marketing is at the crossroads of technology business strategy and customer relationship management Enabled by sophisticated information and communication systems today s organizations have the capacity to analyze customer data to inform and enhance every facet of the enterprise from branding and promotion campaigns to supply chain management to employee training to new product development Based on decades of collective research teaching and application in the field the authors present the most comprehensive treatment to date of database marketing integrating theory and practice Presenting rigorous models methodologies and techniques including data collection field testing and predictive modeling and illustrating them through dozens of examples the authors cover the full spectrum of principles and topics related to database marketing This is an excellent in depth overview of both well known and very recent topics in customer management models It is an absolute must for marketers who want to enrich their knowledge on customer analytics Peter C Verhoef Professor of Marketing Faculty of Economics and Business University of Groningen A marvelous combination of relevance and sophisticated yet understandable analytical material It should be a standard reference in the area for many years Don

Lehmann George E Warren Professor of Business Columbia Business School The title tells a lot about the book's approach though the cover reads database the content is mostly about customers and that's where the real world action is. Most enjoyable is the comprehensive story in case after case which clearly explains what the analysis and concepts really mean. This is an essential read for those interested in database marketing customer relationship management and customer optimization. Richard Hochhauser President and CEO Harte Hanks Inc In this tour de force of careful scholarship the authors canvass the ever expanding literature on database marketing. This book will become an invaluable reference or text for anyone practicing researching teaching or studying the subject. Edward C Malthouse Theodore R and Annie Laurie Sills Associate Professor of Integrated Marketing Communications Northwestern University **Database Marketing** Robert Shaw, Merlin Stone, 1990-01-16 Explains what database marketing is what it can do and how a company can implement it. Whether your company is large or small it shows how to combine traditional and modern marketing principles and computing techniques into a database marketing program that can increase sales. Any company of any size in any industry can improve its relationship with its customers by implementing these approaches **Marketing-communicatie** Joeri Van den Bergh, 2011 Studieboek op hbo wo niveau **Direct Marketing Management** Mary Lou Roberts, Paul D. Berger, 1999 This revised text includes coverage of electronic commerce database marketing and research into direct and on line marketing.

**Strategic Data Management** Eric Garrigue Vesely, 1990 **The Strategic Advantage of Database Marketing** Andrew John Downes, 1990 **Integrated Marketing Communications with Online Study Tools 12 Months** Bill Chitty, William Chitty, Edwina Luck, Nigel Barker, Anne-Marie Sassenberg, Terence A. Shimp, J. Craig Andrews, 2017-11-16 Organisations continually use integrated marketing communications to achieve a competitive advantage and meet their marketing objectives. This 5th edition of Integrated Marketing Communications emphasises digital and interactive marketing the most dynamic and crucial components to a successful IMC campaign today. Incorporating the most up to date theories and practice this text clearly explains and demonstrates how to best select and coordinate all of a brand's marketing communications elements to effectively engage the target market. Chapters adopt an integrative approach to examine marketing communications from both a consumer's and marketer's perspective. With a new chapter on digital and social marketing addressing the development of interactive media in IMC and new IMC profiles featuring Australian marketers along with a wide range of local and global examples including Spotify, Pandora, Snapchat, Palace Cinemas, Woolworths, KFC, Old Spice, Telstra, Colgate and QANTAS this text has never been so relevant for students studying IMC today. Unique to the text is a series of new student and instructor IMC videos showing students how key objectives in IMC theory are applied by real businesses **Database Marketing a Clear and Concise Reference** Gerardus Blokdyk, 2018-04-16 What are the key elements of your Database marketing performance improvement system including your evaluation organizational learning and innovation processes Does Database marketing analysis show the relationships among important Database marketing factors

## **Strategic Database Marketing Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Strategic Database Marketing PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Strategic Database Marketing PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Strategic Database Marketing free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Strategic Database Marketing Books**

1. Where can I buy Strategic Database Marketing books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
