Telling Things Poems

Jo Gill, Melanie Waters

Telling Things Poems:

Waka and Things, Waka as Things Edward Kamens, 2017-01-01 A challenging study offering a new perspective on classical Japanese poems and how they interact with and are part of material culture This generously illustrated volume offers a fresh perspective on classical Japanese poetry waka including many poems treated here for the first time in a Western language publication Edward Kamens examines these poems both as they relate to material things and as things in and of themselves exploring their intimate connections to artifacts and works of visual art sacred and secular alike and investigating the unique rhetorical messages and powers accessed and activated through these multimedia productions This book makes a major contribution to Japanese literary and cultural studies

Poetry and Autobiography Jo Gill, Melanie Waters, 2013-12-16 This collection makes a critical and creative intervention into ongoing debates about the relationship between poetry and autobiography Drawing on recent theories of life writing the essays in the first part of this volume provide new analyses of works by a range of poets dating from the early modern period to the present day Exploring the autobiographical resonances of poems by Martha Moulsworth Mina Loy Anne Sexton Joe Brainard Edward Kamau Braithwaite and Gwyneth Lewis the authors here examine the extent to which discourses of truth and authenticity have been implicated in traditional interpretations of lyric poetry In doing so they endeavour to illuminate the complex intersections and divergences of poetry and autobiography asking what these forms might learn from each other about issues of shared concern from questions of identity and textuality to those of reference and audience The creative reflections which form the second part of the collection develop and respond to these questions in various suggestive and original ways here poetry and prose are used in order to test the relationship between poetry and life writing and to explore issues of memory time place subjectivity and voice This book was published as a special issue of Life Writing

The Resistance to Poetry James Longenbach, 2009-08-07 Poems inspire our trust argues James Longenbach in this bracing work because they don't necessarily ask to be trusted Theirs is the language of self-questioning metaphors that turn against themselves syntax that moves one way because it threatens to move another Poems resist themselves more strenuously than they are resisted by the cultures receiving them But the resistance to poetry is quite specifically the wonder of poetry Considering a wide array of poets from Virgil and Milton to Dickinson and G. K. Longenbach suggests that poems convey knowledge only inasmuch as they refuse to be vehicles for the efficient transmission of knowledge In fact this self-resistance is the source of the reader's pleasure we read poetry not to escape difficulty but to embrace it An astute writer and critic of poems Longenbach makes his case through a sustained engagement with the language of poetry Each chapter brings a fresh perspective to a crucial aspect of poetry line syntax figurative language voice disjunction and shows that the power of poetry depends less on meaning than on the way in which it means on the temporal process we negotiate in the act of reading or writing a poem Readers and writers who embrace that process Longenbach asserts inevitably recoil from the exaggeration of the cultural power of poetry

in full awareness that to inflate a poem's claim on our attention is to weaken it. A graceful and skilled study. The Resistance to Poetry honors poetry by allowing it to be what it is. This book arrives at a critical moment at a time when many people are trying to mold and market poetry into something it is not. Bees That Buzz with Poetry Elementria Steel, 2024-05-02. Furnishing a novel take on the poetry of the 1930s within the context of the cultural history of the Depression, this book argues that the period's economic and cultural crisis was accompanied by an epistemological crisis in which cultural producers increasingly cast doubt on language in its ability to represent society. *Poetry and the Limits of Modernity in Depression America* pursues this guiding premise through six chapters, each framing the problem of the ongoing vitality of language as a social medium with respect to a particular poet: Louis Zukofsky and the commodification of language; Muriel Rukeyser and documentary photography; Charles Reznikoff and Depression-era historiography; Sterling A. Brown and the blues as both an ethnographic phenomenon and a marketable cultural product; Norman Macleod and Southwest regionalism; and Lorine Niedecker and ethnographic surrealism. The book closes by examining the shifting status of the poet as society transitioned from a focus on production to an emphasis on consumption in the Post-war period. **The Writings of James Russell Lowell in Prose and Poetry ...: Literary essays** James Russell Lowell, 1898. **The Library of Wit and Humor, Prose and Poetry** Ainsworth Rand Spofford, 1893. *Concordance to the Works of Alfred Tennyson Poet Laureate* Alfred Tennyson Baron Tennyson, 1870. *The Eclectic Magazine of Foreign Literature, Science, and Art*, 1891. **Telling Things** Michael J.
