you're at it. It's just as realistic. She threw up her hands in despair. Listen to me talking about realism and to you of all people. A woman planning to marry a complete stranger wouldn't recognize reality if it bit her on the nose. Wynne questioned amusement clear in her voice. Bit me where? Oh, forget it. Laura muttered. Why do I bother? Wynne smiled, not in the least offended by her friend's bluntness. Because you care. And in case you've forgotten, I know all about reality and being realistic. It hasn't worked for me, which is why I'm willing to give the alternative a try. I know. Laura said contritely. But to marry a complete stranger? My point exactly. Since I am going to marry a complete stranger, why not pick one with all the qualities I need? Because it's crazy. It's just asking for trouble. Laura's gaze grew concerned. Please don't do this. There has to be another solution. You know there isn't. Wynne said with calm finality. I've lost my job, my apartment, and I'm out of money. This is the only option left. It'll work out, you'll see. Laura frowned. What do you mean you're out of money? she demanded. What happened to your savings? I spent every last penny on my ticket to the ball. I had to. It was the only way to find a husband by the end of the month. A long silence stretched between them. Wynne knew she'd upset her friend, but she had no choice. From the moment she'd found out about the Cinderella Ball, she'd known it was the answer to her prayers. It had been a fluke that she'd seen the advertisement at all, a newspaper left at the restaurant where she'd worked, a gust of wind from an open doorway, pages of newsprint blowing to the floor, and there it was. A small, elegant ad that had caught her eye and offered a chance of a lifetime. The Cinderella Ball. It had read: Find romance. Find your Prince Charming. Find the woman of your dreams. The Cinderella Ball offers the opportunity for immediate matrimony. Come to the ball single and leave happily wed. And it had given a phone number, a number she'd called that very night. A ticket to the ball had been exorbitant, the application form detailed and thorough. But she'd apparently passed whatever investigative process they required and been accepted as a guest to the ball. Unable to resist, Wynne crossed to the scarred dining table at the far end of the room and stared down at the thick, gold-embossed envelope she'd placed on her best remaining china plate. It had arrived earlier that day, hand-delivered by a liveried messenger along with a card that read: The Montagues wish you joy and success as you embark on your search for matrimonial happiness. Taking a deep breath, she opened the envelope again, removing the white velvet pouch inside. Reverently, she ran a callused fingertip over the pouch, then slid the surprisingly heavy, gilt ticket from its nest. The metallic wafer caught the light from the overhead bulb and shimmered as though alive, flooding the drab room with a brilliant golden promise. She'd done the right thing, she assured herself, made the only possible decision. Just holding the engraved ticket filled her with that certainty.

Ehrman, 2005-09-15 The early Christian Church was a chaos of contending beliefs. Some groups of Christians claimed that there was not one God but two or twelve or thirty. Some believed that the world had not been created by God but by a lesser, ignorant deity. Certain sects maintained that Jesus was human but not divine, while others said he was divine but not human. In *Lost Christianities*, Bart D. Ehrman offers a fascinating look at these early forms of Christianity and shows how they came to be suppressed, reformed, or forgotten. All of these groups insisted that they upheld the teachings of Jesus and his apostles, and they all possessed writings that bore out their claims: books reputedly produced by Jesus's own followers. Modern archaeological work has recovered a number of key texts, and as Ehrman shows, these spectacular discoveries reveal religious diversity that says much about the ways in which history gets written by the winners. Ehrman's discussion ranges from considerations of various lost scriptures, including forged gospels supposedly written by Simon Peter, Jesus's closest disciple, and Judas Thomas, Jesus's alleged twin brother, to the disparate beliefs of such groups as the Jewish Christian Ebionites, the anti-Jewish Marcionites, and various Gnostic sects. Ehrman examines in depth the battles that raged between proto-orthodox Christians, those who eventually compiled the canonical books of the New Testament and standardized Christian belief, and the groups they denounced as heretics, and ultimately overcame. Scrupulously researched and lucidly written, *Lost Christianities* is an eye-opening account of politics, power, and the clash of ideas among Christians in the decades before one group came to see its views prevail. **Irresistibly Found** Victoria Pinder, 2018-09-25 [Brothers In Revenge Prequels](#)
