*The Postal Age* David M. Henkin,2008-09-15 Americans commonly recognize television e mail and instant messaging as agents of pervasive cultural change But many of us may not realize that what we now call snail mail was once just as revolutionary As David M Henkin argues in *The Postal Age* a burgeoning postal network initiated major cultural shifts during the nineteenth century laying the foundation for the interconnectedness that now defines our ever evolving world of telecommunications This fascinating history traces these shifts from their beginnings in the mid 1800s when cheaper postage mass literacy and migration combined to make the long established postal service a more integral and viable part of everyday life With such dramatic events as the Civil War and the gold rush underscoring the importance and necessity of the post a surprisingly broad range of Americans male and female black and white native born and immigrant joined this postal network regularly interacting with distant locales before the existence of telephones or even the widespread use of telegraphy Drawing on original letters and diaries from the period as well as public discussions of the expanding postal

system Henkin tells the story of how these Americans adjusted to a new world of long distance correspondence crowded post offices junk mail valentines and dead letters The Postal Age paints a vibrant picture of a society where possibilities proliferated for the kinds of personal and impersonal communications that we often associate with more recent historical periods In doing so it significantly increases our understanding of both antebellum America and our own chapter in the history of communications Ten Years Among the Mail Bags - Notes from the Diary of a Special Agent of the Post-Office Department - The Original Classic Edition James Holbrook,2013-03-18 Finally available a high quality book of the original classic edition of Ten Years Among the Mail Bags Notes from the Diary of a Special Agent of the Post Office Department It was previously published by other bona fide publishers and is now after many years back in print This is a new and freshly published edition of this culturally important work by James Holbrook which is now at last again available to you Get the PDF and EPUB NOW as well Included in your purchase you have Ten Years Among the Mail Bags Notes from the Diary of a Special Agent of the Post Office Department in EPUB AND PDF format to read on any tablet eReader desktop laptop or smartphone simultaneous Get it NOW Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside Ten Years Among the Mail Bags Notes from the Diary of a Special Agent of the Post Office Department Look inside the book In reference to the first of these objections it may be said that although descriptions of skilful roguery are always perused with interest and often with a sort of admiration for the talent displayed yet when it is seen Pg vii that retribution follows as certainly and often as closely as a shadow that however dexterously the criminal may conceal himself in a labyrinth of his own construction the ministers of the law track him through all its windings or demolish the cunningly devised structure and that when he fancies himself out of the reach of Justice he sees to his utter dismay her omnipresent arm uplifted to strike him down when these truths are brought to light by the record an impressive view will be given of the resources which are at command for thwarting the designs of dishonesty and of the futility of taking the field against such overwhelming odds In April 1829 he was appointed post master at Hartford which he held until December 1835 when he was appointed United States Senator to fill a vacancy and in the ensuing May was elected by the Legislature for the remainder of the term Here lies a sable edged missive speaking to the eye as the passing bell speaks to the ear telling of blighted happiness a desolate home and loving hearts mourning and Pg xvii refusing to be comforted because the loved one is not while close at hand and perchance overlying the sad messenger is the announcement of another arrival upon the stage of life Our First and though it is as yet behind the curtain not having made its bow to the world at large is an important character in the green room and the aid of that convenient individual Uncle Sam is invoked to convey the information of its advent to a circle of expectant friends as highly favored as that select few who are sometimes invited to witness a private performance by some newly arrived artist before he makes his appearance in a more public manner Ten Years Among the Mail Bags; Or, Notes from the Diary of a Special Agent of the Post-Office Department Holbrook James,2013-06 Unlike some

other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy [\*Ten Years Among the Mail Bags\*](#) James Holbrook,2020-04-22 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We're happy to make these classics available again for future generations to enjoy [Catalogue of the Valuable Collection of Americana, Belonging to H.M.
