Huebner,Harry J. Huebner,Mark Thiessen Nation,2005-05-26 Few recent Christian thinkers have been as widely influential as John Howard Yoder 1927 1997 Encompassing a teaching career of more than thirty years and such landmark publications as The Politics of Jesus Yoder s life and thought have profoundly impacted students and colleagues from a broad range of disciplines In the words of Stanley Hauerwas Yoder is probably the major theologian ethicists of this half century in America and certainly the leading Mennonite theologian of the twentieth century The Wisdom of the Cross is the only book to provide valuable secondary essays engaging Yoder s central theological concerns together with a biographical reflection on his life and legacy Written by scholars both from within and outside of Yoder s Mennonite community these essays develop the most significant aspects of Yoder s thought from his powerful defense of Christian pacifism to his seminal analysis of the politics of Jesus to his challenging contributions to Christian social ethics ecclesiology and theological method The book also includes a previously unpublished essay on moral absolutes by Yoder himself A fitting tribute to Yoder s distinguished career this volume will be useful to readers new to Yoder s work and to those wishing to probe more deeply into the implications of his thought **Encyclopedia of Christianity in the United States** George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized

from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation *Manual of the Methodist Episcopal Church*,1885 *Manual of the Methodist Episcopal Church* Methodist Episcopal Church,1886 **Bible Doctrines in Three Divisions** John Ezra Coffman,1936 Aspects of Assemblies of God Origins Daniel D. Isgrigg,2024-08-27 With the Assemblies of God now over a century old this book takes a fresh look at critical issues in the AG's origins While not a comprehensive retelling this book is a series of essays that explore different historiographical issues that will clarify or correct historical narratives with new research Topics include re examining the early relationship with the Church of God in Christ assessing the AG's evangelical identity and attitudes toward theology and education Some three decades since the last AG history this volume will shed new light on these important theological and cultural issues to better understand its roots Perhaps these conversations will help the AG better understand its history as the fellowship approaches the problems it faces today **Manual of Bible Doctrines** General Conference of Seventh-Day Adventists.
