Indian Short Story: A Critical Evaluation Dipak Giri,2024-10-03 As a literary genre Indian short story next to poetry is the most popular and accepted form of literature for its variety and nuance of Indian experience Evolving over time it has gained wide currency among people Even after its recourse to traditional rules of the craft Indian short story amazingly presents itself an original and distinctive form of art Developed out of contemporary native literature and western storytelling technique Indian short story presents an amalgamation of two different literary traditions which has become unique and distinctive in course of time and long been catering to the taste of people Ever since its origin it has already witnessed a plethora of Indian writers who have made significant contributions to this genre by encapsulating the essence of Indian life and culture They are Rabindranath Tagore Munshi Premchand R K Narayan Mulk Raj Anand Ismat Chughtai Ruskin Bond Khushwant Singh Saadat Hasan Manto Ashapurna Devi Jhumpa Lahiri Anita Desai Kiran Desai Chitra Banerjee Divakaruni Anita Nair Qurratulain Hyder Namita Gokhale Madhulika Liddle just to name a few At present Indian short story has taken a wider form much more than earlier and almost every writer has started trying her or his hand at this field that it is too difficult for one to sum up the whole in one singular work Still this present book is an endeavour to compile the works of major Indian short story writers in a short but comprehensive way in order to supply the best possible materials to readers writers academics scholars and students who wish to do further studies in this field There are twenty six chapters in this book which together presents a rich tapestry of this genre Hopefully this book will march towards many unexplored realms exciting many curious minds restarting many fruitful dialogues and invigorating many fresh and new ideas among academics scholars and students alike

Cortázar,2017-03-28 A master class from the exhilarating writer Julio Cortázar I want you to know that I'm not a critic or theorist which means that in my work I look for solutions as problems arise So begins the first of eight classes that the great Argentine writer Julio Cortázar delivered at UC Berkeley in 1980 These classes are as much reflections on Cortázar's own writing career as they are about literature and the historical moment in which he lived Covering such topics as the writer's path while my aesthetic world view made me admire writers like Borges I was able to open my eyes to the language of street slang lunfardo and the fantastic unbeknownst to me the fantastic had become as acceptable as possible and real as the fact of eating soup at eight o'clock in the evening Literature Class provides the warm and personal experience of sitting in a room with the great author As Joaquín Marco stated in *El Cultural* exploring this course is to dive into Cortázar designing his own creations Essential for anyone reading or studying Cortázar's *cronopio* or not

Plant,2025-01-07 A never before published novel from beloved author Zora Neale Hurston revealing the historical Herod the Great not the villain the Bible makes him out to be but a religious and philosophical man who lived a life of valor and vision In the 1950s as a continuation of Moses Man of the Mountain Zora Neale Hurston penned a historical novel about one of the most infamous figures in the Bible Herod the Great In Hurston's retelling Herod is not the wicked ruler of the New Testament who is charged with the slaughter of the innocents but a forerunner of Christ a beloved king who enriched Jewish culture and brought prosperity and peace to Judea From the peaks of triumph to the depths of human misery the historical Herod appears to have been singled out and especially endowed to attract the lightning of fate Hurston writes An intimate of both Marc Antony and Julius Caesar the Judean king lived during the first century BCE in a time of war and imperial expansion that was rife with political assassinations and bribery as the old world gave way to the new Portraying Herod within this vivid and dynamic world of antiquity little known to modern readers Hurston's unfinished manuscript brings this complex compelling and misunderstood leader fully into focus Hurston shared her findings about Herod's rise his reign and his waning days in letters to friends and associates Text from three of these letters concludes the manuscript in an intimate way Scholar Editor Deborah Plant's Commentary A Story Finally Told assesses Hurston's pioneering work and underscores Hurston's perspective that the first century BCE has much to teach us and that the lens through which to view this dramatic and stirring era is the life and times of Herod the Great [Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record](#) ,1895 **The University correspondent and University correspondence college magazine (and The Educational review)** .,1891
