## **Story Of Wake Island:**

**The Story of Wake Island** James Patrick Sinnott Devereux,2020 This book is written by an American fighting man It reveals no secrets as to what really went on at the highest levels indeed Colonel Devereux makes it entirely clear that he never had the faintest idea of what was happening at the highest levels All he knew was that he was in command of the garrison on Wake Island when war broke out in the Pacific and that he was to hold this island for as long as was humanly possible He did so His story of this memorable fight is enormously exciting and stimulating and important In the first two weeks of American participation in the Second World War many people were extremely uncertain of our ability to fight against the known and up to then all conquering power of the Nazis and the surprising power suddenly revealed by the Japanese Page 4 of cover   **The Story of Wake Island** James P. S. Devereux,2018-10-04 The courageous conduct of the officers and men who defended Wake Island will not be forgotten so long as gallantry and heroism are respected and honored Citation of the President Excellent The New York Times On 8th December 1941 just hours after the attack on Pearl Harbor thirty six Japanese bombers attacked Wake Island and destroyed eight of its twelve aircraft Two more raid shortly followed further reducing the defensive possibilities for the men who were left to defend this small area of American soil in the center of the Pacific Ocean Major James P S Devereux was the Commanding Officer of the 1st Marine Defense Battalion who faced Japanese onslaught The first Japanese landing attempt on the morning of 11th December was repelled by a ferocious defense put forward by Devereux and his men Yet although the Japanese had withdrawn without landing they continued to bombard the island by air and sea and there was little hope of resupply for the Americans For fifteen days the American troops suffered endless bombardments until the second major Japanese offensive was launched on 23rd December Against overwhelming forces the Marines and other troops that were stationed on the island fought valiantly but after forty nine men had lost their lives in the fight the remaining American men and civilians were captured by the Japanese James P S Devereaux s remarkable book The Story of Wake Island takes the reader to the heart of the action from the point of view of the commanding officer It is a brilliant account of this tragic event that demonstrated the fighting spirit of the American soldier even in the face of unbeatable odds His special vantage point enriches his commentary not only on the ill fated military operation but also on the state and spirit of the prewar preparations to defend the island John J Sbrega The War Against Japan 1941 1945 James P S Devereaux was a United States Marine Corps general Navy Cross recipient and Republican congressman After the ferocious fifteen day battle of Wake Island Devereux was interned for nearly four years in Japanese prison camps His book The Story of Wake Island was first published in 1947 and he passed away in 1988   **The Story of Wake Island [Illustrated Edition]** James P. S. Devereux Colonel U.S.M.C.,2014-08-15 Includes 11 photos and 5 maps diagrams of the Defence of Wake Island It is Monday 8 December 1941 On Wake Island a tiny sprung paper clip in the Pacific between Hawaii and Guam Marines of the 1st Defense Battalion are starting another day of the backbreaking war preparations that

have gone on for weeks Out in the triangular lagoon formed by the islets of Peale Wake and Wilkes the huge silver Pan American Airways Philippine Clipper flying boat roars off the water bound for Guam The trans Pacific flight will not be completed Word of war comes around 0700 Captain Henry S Wilson Army Signal Corps on the island to support the flight ferry of B 17 Flying Fortresses from Hawaii to the Philippines half runs half walks toward the tent of Major James P S Devereux commander of the battalion s Wake Detachment Captain Wilson reports that Hickam Field in Hawaii has been raided Devereux immediately orders a Call to Arms He quickly assembles his officers tells them that war has come that the Japanese have attacked Oahu and that Wake could expect the same thing in a very short time Robert Cressman So began the epic 14 day siege of Wake Island in 1941 on one side the overwhelming numbers and firepower of the invading Japanese on the other Major Devereux and a handful of Marines aided by civilian contractors and miscellaneous personnel In this memoir Devereux recounts how he and his men put up a resistance that stunned their Japanese foes and provided their American countrymen with a potent positive rallying point after the attack at Pearl Harbor *The Story of Wake Island* Frank R. Mace,1986

**The Story of Wake Island** Frank Russell Mace,Joe Astarita,2004 [The Defense of Wake.](#) [Illustr.] Robert D. Heinl,1947 [Prologue](#) ,1990 [LIFE](#) ,1943-10-25 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use

**Jim's Journey** Leilani A. Magnino,2001 **The Battle of Wake Island** Charles River Charles River Editors,2016-08-24 Includes pictures Includes accounts of the fighting by soldiers on both sides Includes online resources and a bibliography for further reading All Americans are familiar with the day that will live in infamy At 9 30 a m on Sunday December 7 1941 Pearl Harbor the advanced base of the United States Navy s Pacific Fleet was ablaze It had been smashed by aircraft launched by the carriers of the Imperial Japanese Navy All eight battleships had been sunk or badly damaged 350 aircraft had been knocked out and over 2 000 Americans lay dead Indelible images of the USS Arizona exploding and the USS Oklahoma capsizing and floating upside down have been ingrained in the American conscience ever since In less than an hour and a half the Japanese had almost wiped out America s entire naval presence in the Pacific but one of the aspects of the war most forgotten is that the Japanese simultaneously launched concerted attacks against American targets elsewhere in the Pacific that the same day including one against the strategically located Wake Island Claimed for the United States in 1841 by the cheerful narrow faced Lieutenant Charles Wilkes aboard the USS Vincennes Wake Island actually three separate portions known as Wake Peale and Wilkes Islands remained essentially useless until the technology and politics of the 20th century suddenly rendered it more important Given the possibility of war with Japan in the near future the United States Navy began researching and developing the island for use as a forward airbase in 1940 Located between Hawaii and Japan with the nearest inhabited land over 600 miles away Wake appeared as a key strategic

asset for America Its status as U S territory made it possible for the Navy to construct a base there without antagonizing the Japanese and desalination technology enabled maintaining a permanent human presence on the island Admiral Husband E Kimmel CINCPAC in 1941 prepared a long commentary on Wake which included the assessment The strategic importance of Wake is increasingly evident as one inquires into means by which the Pacific Fleet may carry on offensive operations to the westward As an operating patrol plane base it could prove highly valuable to us in observing the Marshalls or in covering advance of our forces toward the Saipan Honshu line In the hands of the Japanese it would be a serious obstacle to surprise raids Heinl 1947 1 The Japanese of course also recognized the strategic value of Wake and planned to deny it to the United States Since their war plan involved a surprise attack with the declaration of war following the start of hostilities they anticipated seizing Wake Island with minimal resistance from the contractors and U S Marines there The Japanese might perhaps have viewed the Americans on Wake in the same way Shakespeare s Duke of Orleans dismissed the English in Henry V Act III Scene 7 You may as well say that s a valiant flea that dare eat his breakfast on the lip of a lion As it turned out the Japanese would require multiple invasion attempts and a few weeks to take the island against dogged American resistance and it would cost them over 1 000 casualties by the time the fighting was finished The Battle of Wake Island The History of the Japanese Invasion Launched in Conjunction with the Attack on Pearl Harbor chronicles one of the initial Japanese campaigns in the Pacific Along with pictures of important people places and events you will learn about the battle like never before

**The Story of Wake Island** E. A. Junghans,196? **Guerber's Historical Readers: Story of the great republic** Hélène Adeline Guerber,1899 *Facing Fearful Odds* Gregory J. W. Urwin,2002-06-01 *Facing Fearful Odds* is based on interviews and correspondence gathered from more than seventy of Wake s American defenders and on research in archival and printed sources The book covers the planning and political struggles that began Wake Island s transformation into a naval air station and submarine base the U S Navy s eleventh hour efforts to garrison and fortify Wake and the various air sea and land attacks that resulted in the atoll s capture by the Imperial Japanese Navy This study attempts to correct the myths that shroud what happened on the atoll from preface *Pacific Alamo* John Wukovits,2004-07-06 It happened in the shadow of Pearl Harbor mere hours after the first attack on the day that would live in infamy But few know the full story of Wake Island Now a prominent military historian breaking new ground on the assault relates the compelling events of that day and the heroic struggle that followed Thanks to the brave Marines stationed there and the civilian construction workers who selflessly put their lives on the line to defend the island what was supposed to be an easy victory became a protracted and costly battle for Imperial Japan This is the story of that battle from survivors on both sides and with a gallery of historic photos [Wake Island: The Story of a Civilian POW at Niigata, Japan 1941-1945](#) , [Wake Island](#) William Leroy Thomas,1960 [Congressional Record](#) United States. Congress,1952 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional

Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873    **THE STORY OF THE NEW YORK TIMES 1851- 1951** MEYER BERGER,1951    **Fortitudine** ,2010    **The Defense of Wake** United States. Marine Corps,1947

## Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Story Of Wake Island**

In some sort of inundated with displays and the cacophony of instantaneous interaction, the profound power and emotional resonance of verbal art often disappear into obscurity, eclipsed by the regular barrage of noise and distractions. Yet, nestled within the lyrical pages of **Story Of Wake Island**, a captivating work of fictional brilliance that impels with raw thoughts, lies a wonderful trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, that interesting opus courses visitors on a psychological odyssey, gently exposing the latent potential and profound affect embedded within the delicate internet of language. Within the heart-wrenching expanse of this evocative evaluation, we can embark upon an introspective exploration of the book's main subjects, dissect their captivating writing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers' souls.
