Tempi Moderni:

L' Italia nei tempi moderni sommario storico Achille Torre,1875 [Tempi moderni](#) ,1962 [Perspectives on Lexicography in Italy and Europe](#) Marina Foschi Albert,Silvia Bruti,Roberta Celli,2009-10-02 Lexicography is a very special field of research in which theory arises from concrete problems and practice moulds on theoretical assumptions in a way of working that is at the same time technical and innovative The volume offers an overview of the main aspects of the state of art of lexicographical research in Europe with contributions concerning both historical and synchronic dictionaries and a wide spectrum of the main European languages French English German Italian Portuguese Spanish Several contributions show the beneficial effects deriving from the close connection between modern lexicography and information technology which in the last few years profoundly changed the way of designing realising and using dictionaries An appendix contains some reflections on lexicography and translation one of the most important functional goals for both monolingual and bilingual dictionaries **L'ALIGHIERI** ,1891 **Ideology** Mostafa Rejai,2017-07-12 Since the early 1950s the decline of ideology hypothesis has commanded a great deal of attention in the intellectual community at large The controversy has taken both empirical and polemical turns This book concentrates on the empirical literature offering both original contributions and previously published papers of outstanding importance Selections were made to give full play to freshness of view and diversity of sources The book presents the hypothesis of ideological decline as set forth by two of its major spokesmen brings together essays that subject this hypothesis to empirical tests in both Western and non Western contexts and then presents both positive and negative evaluations of the hypothesis Avoiding an ex cathedra definition of ideology the editor and contributors scrutinize the nature of ideology and its workings and suggest approaches to the comparative treatment of ideologies This book offers the first clear and wide ranging overview of the putative decline of ideology a concept burdened by a history of emotional argumentation Changes in the function of ideology in the Soviet Union the United States Western Europe and Japan are examined and the ideological dimension of student movements of the 1960s is taken into account Ideology Comparative and Cultural Status is an expertly edited presentation of contrasting views of a vital topic It is ideally suited for use in a variety of courses in the area of political thought and political sociology [Catalogue of Printed Books](#) ,1882 **The Long Search for a Third Way** I. Favretto,2002-12-09 Ilaria Favretto presents a detailed study which traces the origins of the Third Way by comparing the European Left's contemporary neo revisionism with past revisionist attempts Focussing its analysis on the British Labour Party and the Italian Left The Long Search for a Third Way provides new interpretations and insights into the histories of both parties The book is accessible not only to students and scholars but also to the general reader interested in contemporary European politics **Interest Groups in Italian Politics** Joseph La Palombara,2015-12-08 The author examines both structurally and functionally the General Confederation of Italian Industry Italian Catholic Action the Christian Democrats the Italian Liberal Party the monarchist Italian Republican

Party the neo Fascist Italian Social Movement and many more interest groups The book is based on several years of field research in Italy including interviews with scores of political figures bureaucrats and interest group leaders Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
