Hidden Jesus:

The Hidden Jesus Dan R. Mitchell, 2014-11-12 This book will shake your faith in Jesus Christ History has hidden who Jesus really is The information from reputable sources forces us to change our image of Jesus We fail to see the struggles of a normal man in a Jewish life While the narrative text struggles to remain true to the Gospel it also uses information of recent discoveries It leaves you wondering just what has come to us in the selective texts of the Bible and why other texts have not been put in the Bible by a faith that wanted only a God and not a man

Colossians David J. Landegent, 2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey

Life in the Kingdom, book 1 Steve Husting, 2017-11-29 Have you ever asked yourself Is this all there is to being saved Isn t there something more to this Most of us are only being taught half a salvation Jesus views on salvation are quite at odds with the way many of us experience it in our day to day lives Life in the Kingdom is a devotional commentary on living the Christian life as Jesus anticipated it Covering Matthew chapters 1-14 in this volume we begin to see how the many elements of the Christian life are actually building materials for the Kingdom of God We Christians seldom use the phrase Kingdom of God choosing rather to use saved But seeing our salvation in the context of the Kingdom clarifies why we do what we do our position in God s plan of the ages and imparts meaning to us who surrender to it

Where Is Jesus Hidden? Maura Roan McKeegan, 2020-10-01 Where is Jesus Hidden Jesus has a face like yours With eyes and nose and ears But sometimes we can t see Him Even though He s very near Sometimes He is hidden Or He s wearing a disguise But we can learn to find Him If our hearts will help our eyes In Where is Jesus Hidden award winning author Maura Roan McKeegan points to the many places and ways Jesus can be found With a series of clues from Scripture to guide them young children will learn that if they search for Jesus he is never far Recommended for ages 4 and up

Sincerely, Amen Gretel Magnuson,2025-10-15 Sincerely Amen Today s Prayer are letters written from a sincere heart to the Heavenly Father One hundred eighty two prayers of devotion invite you to discover peace hope and encouragement in God s Word The scriptures come alive through the author s original poems hymns stories and word pictures each entry formatted as a personal letter to God Covering topics ranging from trust and tribulation to surrender and salvation Sincerely Amen takes the concept of a devotional one step further giving voice to prayers the heart longs to speak Read and reread these thought provoking prayers seeking shelter in the Most High and find refuge under the shadow of His wings **The Hidden Life** Adolph Saphir,1877 Adolph Saphir s classic meditation on chapter four verse eight of the Book of James is treasured for its poignant spiritual assessment of the New Testament Draw near to God and he will draw near to you is the message at the heart of The Hidden Life For the author these words summarize most perfectly the exactness of God s message through the New Testament With this as his basis Adolph Saphir proceeds to discuss how to live with the Holy Trinity in mind Yet his contemplations are rich in their variety he visits such topics as Eastern mysticism found in religions of India and Islam the discussions between God and Biblical figures such as Nicodemus and the message brought by Christ to humankind The meditations herein are supported by references to chapters of the New Testament together with a variety of quotations from spiritual authors of antiquity and early modern times Though his inquiry is winding with touches of eclecticism Saphir never loses sight of the objective growing closer to the spiritual essence of the Lord and Jesus Christ The Saphir family converted from Judaism to Christianity when Adolph was a child Intellectually apt Adolph gained a Master s degree from Glasgow University and went on to serve as a minister and missionary of some renown in the 19th century Glasgow University made him an honorary Doctor of Divinity in 1878 **Christ More Powerful** Dr. Stewart Snook,2011-10-06 This book compares the ideals symbols and deliverers saviors of seven major non Christian religions with the Christ of the New Testament How do these religions relate to Christ and Christianity The author shows that Christ is the only Savior who is a historical reality and not a myth Verses from Scripture show who Christ is and how He overshadows the myths of deliverers in non Christian religions The ideals symbols and deliverers of each major religion Judaism

Zoroastrianism Islam Hinduism Buddhism Taoism and Shinto are discussed The vision of this book is that people with contact with any of the seven major religions discussed may have Scripture to relate to the beliefs of these religions and be able to discuss meaningfully the significance of their beliefs with Christianity The problem confronted in this book is Pluralism s claim that all religions lead to God An alternative approach is presented namely that Christ fulfills the ideals of any of the major religions presented Throughout the discussion of each religion if the question of revelation Would God give only revelation or many revelations for different cultures The purpose of the book is not simply to compare religions It is to show how the New Testament Christ fulfills any ideals or deliverer concepts in these non Christian religions The pattern of writing is to present material from each non Christian religion and compare this with Christ as the more powerful the incomparable and only Savior of the world

The Letters of Jesus Joseph Augustus Seiss,1889 *The Figure of Abraham in John 8* Ruth Sheridan,2020-01-09 In the Gospel of John the character of Jesus repeatedly comes into conflict with a group pejoratively designated as the Jews In chapter 8 of the Gospel this conflict could be said to reach a head with Jesus labeling the Jews as children of the devil 8 44 a verse often cited as epitomizing early Christian anti Judaism Using methods derived from modern and post modern literary criticism Ruth Sheridan examines textual allusions to the biblical figures of Cain and Abraham in John 8 1 59 She pays particular attention to how these allusions give shape to the Gospel s alleged and infamous anti Judaism exemplified in John 8 44 Moreover the book uniquely studies the subsequent reception in the Patristic and Rabbinic literature not only of John 8 but also of the figures of Cain and Abraham It shows how these figures are linked in Christian and Jewish imagination in the formative centuries in which the two religions came into definition

The Jesus Secret Aim Og,2006-04 Og teaches that the true understanding of the resurrection of Jesus is not merely about a resurrected corpse but clearly about a resurrected corp a corporation of people Thus Jesus will not be returning as a single man but as a legion of men and women Christian Religion
