The Fair at Sorochyntsi Nikolai Gogol, 2020-10-12 The Fair at Sorochyntsi by Nikolai Gogol is a short story set in a Ukrainian village in 1800 A man travels with his daughter and wife to a fair to sell some of their belongings Their lives are quickly turned upside down when a young cossack asks for the hand of the daughter and a demon makes an appearance The story mixes the macabre with humor yet with romance at its core The Fair at Sorochyntsi was also turned into a comic opera by Modest Mussorgsky though unfinished and completed by others after his death Ukrainian born writer and dramatist Nikolai Gogol 1809 1852 is considered one of the most prominent figures in Russian literature His unconventional works are often touched by folklore or a hint of the unusual providing the reader with surprising turns and characters Gogol has been attached to a range of different literary styles including Russian literary realism and even surrealism His stories include the short story The Nose and the famous satirical novel Dead Souls Gogol's works have inspired numerous stage film and television adaptations including the movie Inspector General 1949 based loosely on his play with the same name

Musorgsky David Brown, 2010-05-14 Modest Musorgsky was one of the towering figures of nineteenth century Russian music Now in this new volume in the Master Musicians series David Brown gives us the first life and works study of Musorgsky to appear in English for over a half century Indeed this is the largest such study of Musorgsky to have appeared outside Russia Brown shows how Musorgsky though essentially an amateur with no systematic training in composition emerged in his first opera Boris Godunov as a supreme musical dramatist Indeed in this opera and in certain of his piano pieces in Pictures at an Exhibition Musorgsky produced some of the most startlingly novel music of the whole nineteenth century He was also one of the most original of all song composers with a prodigious gift for uncovering the emotional content of a text As Brown illuminates Musorgsky's work he also paints a detailed portrait of the composer's life He describes how unlike the systematic and disciplined Tchaikovsky Musorgsky was a fitful composer When the inspiration was upon him he could apply himself with superhuman intensity as he did when composing the initial version of Boris Godunov Sadly Musorgsky deteriorated in his final years suffering periods of inner turmoil when his alcoholism would be out of control Finally unemployed and all but destitute he died at age forty two His failure to complete his two remaining operas
