Richard Swinburne,2019-07-25 What are humans What makes us who we are Many think that we are just complicated machines or animals that are different from machines only by being conscious In Are We Bodies or Souls Richard Swinburne comes to the defence of the soul and presents new philosophical arguments that are supported by modern neuroscience When scientific advances enable neuroscientists to transplant a part of brain into a new body he reasons no matter how much we can find out about their brain activity or conscious experiences we will never know whether the resulting person is the same as before or somebody entirely new Swinburne thus argues that we are immaterial souls sustained in existence by our brains Sensations thoughts and intentions are conscious events in our souls that cause events in our brains While scientists might discover some of the laws of nature that determine conscious events and brain events each person s soul is an individual thing and this is what ultimately makes us who we are      Quiet Waters Ramil Carmen,2019-02-12 Quiet Waters Reflections on the Twenty Third Psalm is a profound reflection on one of the greatest psalms in the Holy Scripture It allows us to further understand an important metaphor used in the Bible one that describes the kind of relationship that God desires to establish between Him and His children If we are truly His children God is our Good Shepherd and we are His sheep Quiet Waters contains bits and pieces from the story of David the Psalms human author the second king of Israel and called by God as a man after His own heart Having a personal relationship with our Good Shepherd allows us to experience the true definition of quietness safety and even abundance as we go through the various phases of our challenging lives here on earth Understanding our characteristics and vulnerabilities as His sheep helps us grow spiritually in our faith and learn to completely trust and depend on the Good Shepherd Each chapter contains Reflection Questions that encourage us to ponder over the things that truly matter in our lives and those around us Do you recognize the voice of the Good Shepherd Are you indeed a part of His flock At the end of this spiritual journey Quiet Waters invites you to an important prayer one that is both simple and life changing a fundamental step towards becoming a sheep of the Good Shepherd      **A Commentary on the Psalms: Psalm CXIX. to Psalm CL. with index of Scripture references.** 1874 John Mason Neale,Richard Frederick Littledale,1874      **A System of Biblical Psychology** Franz Delitzsch,1899      **Christian Literature** ,1895      *Selection of Psalms in Verse: Poems and Translations.
