The Jericho Road:

The Jericho Road Walter Bion Adkins, 1905 *The Jericho Road* W. Bion Adkins, 2018-10-17 I have lived much that I have not written but I have written nothing that I have not lived and the story of this book is but a plaintive refrain wrung from the overburdened song of my life while the tides of feeling winding down the lines had their sources in as many broken upheavals of my own heart A book like an implement must be judged by its adaptation to its special design however unfit for any other end This volume is designed to help Odd Fellows in their search for the good things in life There is need of something to break the spell of indifference that oftentimes binds us and to open glimpses of better sweeter grander possibilities Hence this volume which is a plea for that great fortune of man his own nature Bulwer says Strive while improving your one talent to enrich your whole capital as a man The present work is designed to aid in securing the result thus recommended We send it forth trusting that it will find its way into the hands of every Odd Fellow and every Odd Fellow's friend and neighbor and that those who read it will gather from its pages lessons which shall enable them to pluck thorns from their pathway and scatter flowers instead **The Jericho Road.
