**Ronald Dean Cameron, Merrill P. Miller**

## **The Jesus Legacy:**

**The Legacy of Jesus** John MacArthur,1986     *Jesus* Anthony Le Donne,2018-08-02 Jesus A Beginner's Guide introduces Jesus the man and his enduring legacy Separating fact from fiction Professor Le Donne places Jesus within the context of first century Judaism and explores the debate about his status as Son of God among the early Christians He then follows his legacy through medieval Europe and compares the various cultural Jesuses in enlightenment and post enlightenment thought

**Redescribing Christian Origins** Ronald Dean Cameron,Merrill P. Miller,2004 These essays challenge the traditional picture of Christian origins Making use of social anthropology they move away from traditional assumptions about the foundations of Christianity to propose that its historical beginnings are best understood as reflexive social experiments

**Leaving a Legacy** Dr. David L. Clifton,2015-11-17 Hitler died in his destructive quest to build a world empire Caesar conquered the known world and was stabbed in the back Louis XIV nearly bankrupted France in his pursuit of building the most glorious palace ever conceived What do the rich and famous leave behind What about those who are not so famous What are we leaving our families our children or those we love When we stand before God on our day of reckoning what will we have to show What about Jesus Did He exist and did He leave behind anything on earth as His legacy You will find the answers you need in Leaving a Legacy What is our purpose in life You will not stop reading until you find out about those you thought you knew and those you need to know     [In Remembrance of Christ](#) Professor Samuel C. Obi,2017-09-20 In Remembrance of Christ challenges Christians to live sacrificially in view of who Christ is and what He meant when He adjourned His disciples to do this in remembrance of Me Such attitudinal understanding will help Christians to live a more overcoming life especially in the areas of obedience forgiveness sacrifice and holiness Remembering a person helps us to relate to and reflect on the persons beliefs philosophies legacies contributions and achievements in life It also helps us to aspire to live up to those values the individual believed in during his or her lifetime This book will also direct our attention to other ramifications of Christ's death the importance of His blood divine healing feeding His sheep proclaiming His death etc Chapter 1 introduces readers to the general world of remembrances highlighting key historical world and American personalities landmarks and memorials and showing how Jesus legacy is the only one that has eternal and all inclusive values in comparison Chapter 2 discusses divine healing aspect of Jesus passion from the perspective of it being one of the key benefits of God's children when we remember Him as He commanded Chapter 3 discusses the subject of sacrificial forgiveness as a practice Christians should engage in from two key perspectives forgiveness as God gave it to mankind and forgiveness as we must give it to our neighbors Chapter 4 delves into the subject of loving Jesus more than these as addressed to Peter in John chapter 21 The topic of feeding God's sheep is discussed in chapter 5 Chapter 6 is designed to show readers that there are other areas of life in which we can remember Jesus as living sacrifices Chapter 7 is designed for all persons who desire to receive Christ as their Lord and Savior     **Resolving the Tension of Jesus's Mission in**

**Matthew's Ancient Biography** Jerry D. Breen, 2024-10-03 Jerry D Breen argues that reading Matthew and all the Gospels as ancient biography is the necessary next step for Gospel studies. In particular Breen contends that more specific comparisons should be made between the Gospels and ancient literature. Breen stresses that this reading invites narrative critics to place more emphasis on examining the use of sources and the importance of intertextual and historical information that the author introduces to the text. Breen places emphasis on the relationship between Jews and non Jews in ancient Galilee and Palestine and challenges the long supported theory that Jesus did not minister to non Jews beyond two or three exceptions. Demonstrating that Jesus is inclusive of everyone who comes to him even though he was sent primarily to the Jews Breen argues that the portrait which Matthew creates is one of a Jewish Messiah who is on a mission to restore Israel so that the restored people of God can bless the nations. Concluding that rather than two conflicting missions the audience of the gospel is encouraged to view the healing of non Jews during Jesus's ministry as further proof that the Jewish Messiah is bringing restoration to Israel.

[Jewish-Christian Relations](#) Abel Mordechai Bibliowicz, 2019-03-01 I am in fundamental agreement with Bibliowicz's thesis that the anti Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus not a polemic between Christians and Jews and with the implications which he has drawn for Christian theology. May this book find a wide readership among people devoted to the cause of the healing of memories between Jews and Christians. Peter C Phan Professor Chair of Catholic Social Thought Georgetown University President of the Catholic Theological Society of America Standing on a brilliant and insightful reconstruction of Paul and on a quite shocking but perhaps compelling reading of Mark the author offers a number of original and in some cases quite compelling theoretical reconstructions of the context and purposes of early Christian texts a work of sublime moral passion. David P. Gushee Distinguished University Professor of Christian Ethics and Director Center for Theology and Public Life Mercer University President elect American Academy of Religion Author of Kingdom Ethics Following Jesus in Contemporary Context An intrepid excursion into the Christian discourse The quest of an intellectual a humanist Interesting and in fact overwhelming. A timely and honest engagement of the Christian texts authors and scholars by a Jewish intellectual Burton L. Mack Professor of Early Christianity Claremont School of Theology California author of A Myth of Innocence Mark and Christian Origins There is great merit to Bibliowicz's approach I highly recommend this book for anyone interested in the Jewish Christian dialogue. Scholars may disagree with a number of Bibliowicz conclusions as I do with his interpretation of the Epistle to the Hebrews. But even in disagreeing scholars in the field of Jewish Christian studies will learn new ways of challenging and thinking about old presumptions. Eugene J Fisher Distinguished Professor of Theology Saint Leo University Former staff person for Catholic Jewish relations for the U.S. Conference of Catholic Bishops Consultor to the Vatican Commission for Religious Relations with the Jews member of the International Catholic Jewish Liaison Committee representing the Holy See An important work Sensitive and deeply researched In the deepest sense a profound theological

work Clark M Williamson Professor Christian Theological Seminary Indiana author of Way of Blessing Way of Life A Christian Theology I very much appreciated the depth and scope of the scholarship accompanied by the kind and humble spirit of the author it may also prove to be one of the formidable and formative scholarly contributions of the decade for both biblical and historical scholars Michael Thompson Professor Religious Studies Oklahoma State University In methodical and precise fashion Bibliowicz takes the reader through the relevant ancient Christian texts bearing on the question at hand In so doing he proposes an intriguing compelling thesis The book should prove to be a major voice in the ongoing debate Brooks Schramm Professor of Biblical Studies Lutheran Theological Seminary Impressive work With this impassioned study available to us it will no longer be possible for us to ignore the unintended ways the unthinkable came to be and still say we did not know Didier Pollefeyt Professor Faculty of Theology and Religious Studies Katholieke Universiteit Leuven Belgium coauthor of Anti Judaism and the Fourth Gospel and Paul and Judaism An original and plausible claim that goes beyond most of modern scholarship a solid contribution to the study of anti Judaism in early Christianity Joseph B Tyson Professor Religious Studies Southern Methodist University author of Marcion and Luke Acts A Defining Struggle Well researched and thorough Intelligent and thoughtful accessible the argumentation compelling Michele Murray Professor Bishop s University Canada author of Playing a Jewish Game Gentile Christian Judaizing in the First and Second Centuries C E A detailed and insightful exploration of the writings of the early Jesus movement argues convincingly that the origins of Christian anti Judaism are to be found among early non Jewish followers of Jesus who were in conflict with Jesus s disciples and first followers a must read Tim Hegedus Professor of New Testament Waterloo Lutheran Seminary Wilfrid Laurier University Canada Bibliowicz uses solid scholarship to engage large and difficult topics while managing to be balanced and clear invites Christians to walk a deep journey toward truth and suggests a compelling nuance that the conflicts in the early texts were between Jewish and Gentile followers of Jesus not between Jews and Christians David L Coppola Executive Director Center for Christian Jewish Understanding Sacred Heart University A meticulous study a mammoth endeavor goes beyond others in his interpretation of the evidence tracing and documenting distinctions and tensions in the early Jesus movement N A Beck Professor of Theology and Classical Languages Texas Lutheran University author of Mature Christianity in the 21st Century The Recognition and Repudiation of the Anti Jewish Polemic of the New Testament The topics Bibliowicz engages are complex Although some of his interpretations are controversial Gentile Christians should set aside apologetical agendas and honestly ponder the challenges put forward by the author Dale C Allison Jr Professor of New Testament Princeton Theological Seminary author of Constructing Jesus History Memory and Imagination The Oxford Handbook of Nietzsche Ken Gemes, John Richardson, 2013-09-05 An international team of scholars offer a broad engagement with the thought of Friedrich Nietzsche They discuss the main topics of his philosophy under the headings of values epistemology and metaphysics and will to power Other sections are devoted to his life his relations to other philosophers and his individual works The Legacy of Jesus
