

The Juderia

Karl Baedeker (Firm)

The Juderia:

The Last Transport Anthony McElligott, 2024-10-17 The deportation of 1 755 Jews from the islands of Rhodes and Cos in July 1944 shortly after the last deportation from Hungary was the last transport to leave Greece for Auschwitz and brought to a close the last significant phase of the genocide of Europe's Jews notwithstanding the death marches Within six weeks of their deportation the Germans were retreating from Greece and the Balkans as Hitler's empire shrank This last deportation is frequently acknowledged in Holocaust literature but its significance for our understanding of the Nazi genocide of the Jews remains largely overlooked The timing of the transport when it was clear to the German military elite that Nazi Germany had lost the war raises important questions in relation to long term ideological Nazi goals and the immediate contingency thrown up by war Anthony McElligott in this account of the last Greek transport of Jews to Auschwitz tells a compelling story of this previously underexplored event and sheds light on an important aspect of the Holocaust through an in depth study of one Eastern Mediterranean community *Jews and Christians in Medieval Castile* Maya Soifer Irish, 2016-07-15 5 Tamquam domino proprio The Bishop and His Jews in Medieval Palencia Part 3 Jews and Christians in Northern Castile ca 1250 ca 1370 6 The Jews of Castile at the End of the Reconquista Post 1250 Cultural and Communal Life 7 Jews Christians and Royal Power in Northern Castile 8 Insolent Wicked People The Cortes and Anti Jewish Discourse in Castile Bibliography Index

The Golden Age of Aragonese Jewry Yom Tov Assis, 1997-07-01 The medieval Crown of Aragon reached the peak of its power and influence in the thirteenth century and Jews took an active part in this expansion In this detailed and meticulously researched study Yom Tov Assis deals with many important aspects of this period which was truly a Golden Age in the history of Aragonese and Catalan Jewry both in terms of their relationship with the Crown and of their own cultural achievements Professor Assis provides the most extensive treatment yet of Jewish self government in the Hispanic kingdoms and the mutual interdependence of the Jewish and Christian communities He describes institutions in very great detail and examines the acute social problems that arose in the Jewish community and the dissent polemics and controversies that divided it He shows how the proximity of the country to France and Provence on the one hand and to Castile and Andalusia on the other made Catalan Jewry a point of contact between Ashkenazi and Sephardi Jewry demonstrating the effect this had on religious and cultural life and in particular the consequences of the growing influence in Spain of Franco German Jewry The book is based on a very wide variety of primary sources Jewish and non Jewish archival and halakhic material notarial and royal records in Latin Catalan Aragonese and Hebrew By drawing on these extensive sources the author has been able to create a comprehensive description of the social religious and administrative aspects of Jewish life that throws much light on the wider society and economy of that period under the Crown of Aragon The abundant detailed source notes make this an indispensable work of reference for all scholars of medieval Spanish history *The Jewish Encyclopedia* Isidore Singer, Cyrus Adler, 1901 [The Jewish Encyclopedia](#) Cyrus Adler, Isidore Singer, 1909 **One Hundred Saturdays**

Michael Frank, 2022-09-06 One of Wall Street Journal's Ten Best Books of the Year Winner of the National Jewish Book Awards for Holocaust Memoir and Sephardic Culture Recipient of the Jewish Book Council's Natan Notable Book Award Winner of the Sophie Brody Medal The remarkable story of ninety-nine year old Stella Levi whose conversations with the author over the course of six years bring to life the vibrant world of Jewish Rhodes the deportation to Auschwitz that extinguished ninety percent of her community and the resilience and wisdom of the woman who lived to tell the tale With nearly a century of life behind her Stella Levi had never before spoken in detail about her past Then she met Michael Frank He came to her Greenwich Village apartment one Saturday afternoon to ask her a question about the Juderia the neighborhood on the Greek island of Rhodes where she'd grown up in a Jewish community that had thrived there for half a millennium Neither of them could know this was the first of one hundred Saturdays over the course of six years that they would spend in each other's company During these meetings Stella traveled back in time to conjure what it felt like to come of age on this luminous legendary island in the eastern Aegean which the Italians conquered in 1912 began governing as an official colonial possession in 1923 and continued to administer even after the Germans seized control in September 1943 The following July the Germans rounded up all 1,700 plus residents of the Juderia and sent them first by boat and then by train to Auschwitz on what was the longest journey measured by both time and distance of any of the deportations Ninety percent of them were murdered upon arrival Probing and courageous candid and sly Stella is a magical modern day Scheherazade whose stories reveal what it was like to grow up in an extraordinary place in an extraordinary time and to construct a life after that place has vanished One Hundred Saturdays is a portrait of one of the last survivors drawn at nearly the last possible moment as well as an account of a tender and transformative friendship between storyteller and listener offering a powerful reminder that the ability to listen thoughtfully is a rare and significant gift The Wall Street Journal
