

The Iranian Opposition In Exile

**United States. Congress. House.
Committee on International Relations.
Subcommittee on International
Organizations**

The Iranian Opposition In Exile:

Iran Walid Phares, 2023-01-10 Since 1979 the Khomeinist regime has oppressed its own population while waging wars and terrorism against Arabs Israel Middle East minorities and the United States It expanded its military power across the region and created an international terror web American policy toward Tehran since Carter culminated under Obama in offering the Islamic Republic a deal of partnership empowering the Ayatollahs even further The Iranian people rose several times against the regime without significant support from the US or the West Civil societies protested strongly against Iran backed militias in Iraq Syria Lebanon and Yemen but were likewise abandoned Instead US administrations and Congress were enticed into accepting the regime's legitimacy despite its rogue behavior and its relentless drive to obtain nuclear weapons and develop ballistic missiles This book tells the story of the regime from the genesis of its terror to the legitimizing of its aggressive goals It is about how America failed to stop the threat and how Americans can finally win that challenge once and for all

Politics and Poetica of Rights in Modern Iran Behzad Zerehdaran, 2024-03-29 This book delves into the history of subjective rights within the context of 19th century Iran specifically during the eventful Qajar era The crux of its research lies in the emergence and evolution of the concept of subjective rights as opposed to the notion of objective rights During this pivotal period this transition marked a paradigm shift from right as to be right to right as to have a right A central pillar of this book is the creation of a meta theory one that sheds light on the semantical evolution of the concept of rights Within these pages readers will find a concise history tracing the conceptual path that led from the objective to the subjective realm of rights In addition to these historical explorations it delves into the intricate field of rights theory investigating the foundations and justifications of rights Employing the Hohfeldian framework it analyses various conceptions of rights as they manifest within travel literature enlightenment literature and dream literature of the Qajar era This book will be of interest to scholars and students with an interest in Iranian studies Iranian history Persian literature and human rights

Understanding Iran's National Security Doctrine Manshour Varasteh, 2013-06-01 This new academic and analytical book tackles the strategy of Iran's security since the new millennium when their national security policy was reviewed to secure Iran's position This was implemented by the newly elected President Mohammad Khatami and modified during the presidency of Mahmoud Ahmadinejad The importance of the period from Khatami to Ahmadinejad is that the clerical establishment of the Iranian regime in order to maintain stability of the system chose two strategic doctrines firstly they supported Khatami's Policy of Appeasement Detente towards the West and tried to conduct reform within the system Secondly hard line conservative Ahmadinejad was brought to power based on the Policy of Confrontation and advocated conservative ideology which resulted in more clashes with Western governments This book explains the doctrine of Iran's national security in the 21st century examining the factors related to the formulation of their national security strategy It aims to provide a clear understanding of the nature of the clerical system's goals their behavior patterns in a domestic

environment and the international community This can only be made by taking into account their particular aim and the circumstances that prevailed when decisions were made and policies were formed There are many books written on Iran which analyses the different aspects of the mullah s regime but there are currently no books that focus on its national security doctrine Manshour Varasteh has written Understanding Iran s National Security Doctrine to give a better understanding of the clerical regime s ambitious politics On this basis it is hoped this book will shed some light on the politics of Iran It will appeal to those interested in Iran s politics

Iran-Europe Relations Seyyed Hossein

Mousavian,2008-05-22 This book provides an assessment of relations between Iran and Europe identifying the areas of common interest as well as the issues of conflict whilst putting contemporary relations into their proper context with an account of their development since the early years of the twentieth century Written by a former diplomat who served as the first Iranian ambassador to post reunification Germany this book shows that despite the recent deterioration of relations between Iran and the West Iran has enjoyed a long history of cultural economic and political ties with many European nations such as Germany The book explores important historical episodes including Iran s support of Germany in the years before the First World War the burgeoning economic commercial and scientific co operation in the interwar years such that by the start of the Second World War Germany was Iran s leading trade partner the impact of the Islamic Revolution in 1979 and the attempts by the administration of President Rafsanjani to strengthen ties with Europe in the aftermath of the Iran Iraq War Iran Europe Relations goes on to examine in detail the recent issues of conflict between Iran and Europe disputes over weapons of mass destruction allegations of Iranian support for terrorist groups in Afghanistan Bosnia Iraq and Lebanon disagreements over human rights the Arab Israeli conflict and the Middle East peace process It concludes by suggesting ways in which Iran Europe relations can be encouraged to develop positively overcome current obstacles and nourish the opportunities and common interests that lie beneath the surface

Who Rules Iran? Wilfried Buchta,2000

Iranian

Refugees and Exiles Since Khomeini Asghar Fathi,1991 Human Rights in Iran United States. Congress. House. Committee on International Relations. Subcommittee on International Organizations,1977 **Iran** Fred Halliday,2024-07-04 Originally completed mere months before the Iranian Revolution of 1979 Fred Halliday s study of twentieth century Iran was not only incredibly timely but a deeply researched thought provoking work It masterfully surveys the country s uneven capitalist development state building and class structure security and military apparatus dissent and opposition movements and foreign relations Even decades later it remains among the most sophisticated and compelling analyses of this period of Iranian history Halliday persuasively argues against crude interpretations of the Pahlavi regime as an enlightened and modernising monarchy or merely a dependent client state Instead he contends that to make sense of the Pahlavi regime and its vulnerabilities it is crucial to understand the dialectic of dictatorship development and the imperial geopolitics of the global Cold War This new edition also includes six of Halliday s essays on the Islamic Republic demonstrating how his

thinking on Iran and the revolution evolved over time **Congressional Record** United States. Congress,1993 Iran, Politics and Government Under the Pahlavis Dariush Gitisetan,1985 **Iran, Dictatorship and Development** Fred Halliday,1978 With sure and steady moves Sai and Hikaru are making a name for Hikaru Shindo as the one who might possibly beat the venerable Akira Toya Principals teachers and Go tournament kids alike are all wondering who this unruly bronco of a Go player is Cover *The Economist* ,1986 *National Union Catalog* ,1982 *U.S. News & World Report* ,1986 Encyclopaedia Iranica: Coffeehouse Ehsan Yarshater,1993 Reflections on the Iranian Revolution and Iranian-British Relations Christopher Rundle,2002 **The Middle East and Problems of Democracy** Heather Deegan,1993 In the post Cold War post Gulf War political environment of the Middle East a debate about democracy and pluralism has begun In this work Heather Deegan challenges the view that political reform is unsustainable in the region and examines the moves towards democratization which have recently taken place She discusses individual countries on the basis of their political structures monarchical authoritarian theocratic confessional and multiparty She considers factors in the democratizing process such as the institution of political parties the re introduction of elections citizenship with associated rights and responsibilities and the role of Islam Democracy is not confined solely to a liberal democratic model although political change and greater levels of participation may be viewed as steps paving the way for a fuller democratization in a liberal democratic sense The author identifies certain constraints which tended to undermine political advances in the past population mobility communal division and the impact of the Cold War She places the possibilities for political reform in the wider context of the Third World in order to assess the degree to which prospects for democracy in the Middle East correspond with general conclusions about democratization in the developing world **Iranian Challenges** Katajun Amirpur,2006 For this Chaillot Paper a number of respected academics were asked to contribute chapters analysing Iran through the lens of their expertise The volume covers three main areas Iran s domestic affairs Iran and security and Iran s relations with the West The authors touch on various topics including the repercussions of the June 2005 elections and the advent of President Ahmadinejad the future of the reform movement in Iran Iranian American and EU Iran relations and inevitably the critical nuclear issue The nuclear standoff has forced the EU to embrace a unique tool of diplomacy the E3 EU format which has given the EU diplomatic and political flexibility and ensured inner European cohesion **MELA Notes** ,1985 Iranian Student Opposition to the Shah Afshin Matin-Asgari,2002
