## **The Irvine Ranch:**

The Irvine Ranch Robert Glass Cleland,1962      **The Irvine Ranch: a Time for People** Martin A. Brower,2013-06-03  
The Irvine Ranch A Time for People describes the excitement the accomplishments and the conflicts during the first 50 years of development of the 90 000 acre Irvine Ranch in Orange County California into the largest master planned new community in the United States The book highlights The Irvine Company the privately held corporation which developed the Ranch under three ownerships during the post World War II years focusing on the firms seven presidents and current chairman Here is the dramatic transformation of an agricultural dynasty into an urban empire told in eight engrossing chapters wrapped around the actions and personalities of Myford Irvine Arthur McFadden Charles Thomas William Mason Raymond Watson Peter Kremer Thomas Nielsen and Donald Bren The book provides the reader with an intimate perspective of the workings of the sometimes mysterious and frequently misunderstood Irvine Company      The Irvine Ranch H Pike Oliver,C Michael Stockstill,2026-05-14 The Irvine Ranch Fulfilling the Vision 1977 2025 continues the story of the planning and development of the Irvine Ranch under a partnership of high powered businessmen to the single ownership of Donald Bren The Irvine Ranch transformed from an agricultural empire into the most successful New Town in the United States in less than two generations Since 1977 some of the most innovative and valuable master planned residential commercial and retail developments have occurred on the Irvine Ranch in the cities of Irvine Newport Beach Tustin and Orange This book details the Irvine Company s success in planning and its strategic handling of major challenges including infrastructure needs and responses to anti growth sentiment and litigation From the start of comprehensive planning of the Irvine Ranch in 1960 to today the development is regarded by planning and real estate experts as the most significant and valuable master planned community in the nation Successive generations of urban planners and real estate developers will look to the Irvine Ranch shaped by Bren s long term leadership as a model of successful large scale community development      Transforming the Irvine Ranch H. Pike Oliver,C. Michael Stockstill,2022-06-24 From citrus trees to spring breakers Transforming the Irvine Ranch tells the story of Orange County s metamorphosis from 93 000 acres of farmland into an iconic Southern California landscape of beaches and modernist architecture Drawing on decades of archival research and their own years at the famed Irvine Company the authors bring a collection of colorful characters responsible for the transformation to life including Ray Watson whose nearly century long life took him from an Oakland boarding house to the Irvine and Walt Disney Company boardrooms Joan Irvine Smith a much married heiress who waged war against the US government and the Irvine Foundation s reactionary board and won William Pereira the visionary architect whose work became synonymous with the LA cityscape Spanning the history of modern California from its Gold Rush past to the late 1970s Transforming the Irvine Ranch chronicles a storied family s largely successful attempts to remake the vast Irvine Ranch in its own image      **The Irvine Ranch** Irvine Company,1965      **The Irvine Ranch** Martin A.
