**Politics** Yusuf Sarfati,2013-08-15 Contrary to the expectations of the secularization theorists religious political movements rose to prominence in numerous countries across the globe in the past three decades By examining the conditions that underlie the electoral fortunes of religious actors in democratic regimes this book contributes to our understanding of this worldwide religious resurgence Employing a social movement theory framework Mobilizing Religion in Middle East Politics explores the macro and micro dynamics of successful political mobilization by Sephardic Torah Guardians Shas in Israel and the National Outlook Movement in Turkey in the recent decades In a comparative framework the book demonstrates how ripe political opportunities appropriate frames and dense social networks contribute to building popular support in Israel and Turkey Yusuf Sarfati also assesses the effects of the increasing political power of religious actors on democratic governance and illustrates similarities and differences between two countries Drawing on empirical data from a range of interviews conducted in both Israel and Turkey this book provides a comparative study of religious politics in two countries that are often thought of as exceptional cases and are rarely compared As such this book is a welcome contribution for those studying Middle East politics comparative politics religious politics democratization and social movements The Middle East ,1989

**Political Ascent** Emad Eldin Shahin,2018-02-23 Islamic movements in North Africa have historically been distinguished from their counterparts in other parts of the Arab world because they have demonstrated a marked willingness to work within the political system and have at times even been officially recognized and allowed to participate in local and national elections As a result Islamic thinkers from the Maghrib have produced important writing about the role of Islam and the state democracy and nonviolent change In this book Emad Shahin offers a comparative analysis of the Islamic movements in Algeria Tunisia and Morocco exploring their formation and expansion in the late 1960s and the tenets of their ideology for social transformation Islamic movements in North Africa have historically been distinguished from their counterparts in other parts of the Arab world because they have demonstrated a marked willingness to work within the political system and have at times even been officially recognized and allowed to participate in local and national elections As a result Islamic thinkers from the Maghrib have produced important writing about the role of Islam and the state democracy and nonviolent change In this book Emad Shahin offers a comparative analysis of the Islamic movements in Algeria Tunisia and Morocco exploring the roots of their development the nature of their dynamics and the tenets of their ideology He argues that the formation and expansion of Islamic movements since the late 1960s has come in response to the marginalization of Islam in state and society and to a perceived failure of imported models of development to resolve socioeconomic problems or to incorporate the Muslim belief system into a workable plan for social transformation Ibss: Political Science: 1988 British Library of Political and Economic Science,1992 This bibliography lists the most important works in political science published in 1988

Democratic Consolidation in Turkey Müge Aknur,2012 Although Turkey began its transition to democracy as early as the 1950s it is still far from having reached a level of consolidated democracy with the country's sixty year history of democratic politics being punctuated by numerous breakdowns and restorations of democracy In an attempt to examine why consolidation of Turkish democracy has taken so long this book aims at analyzing various factors including state political parties civil society civil military relations socio economic development the EU as an international actor and the rise of internal threats political Islam and separatist Kurdish nationalism that both hinder and enhance democratic consolidation in Turkey By highlighting the strengths and shortcomings of the Turkish experience from these perspectives this book suggests the optimal policy priorities for current and future Turkish governments to establish a consolidated democracy in Turkey Contributors Müge Aknur Canan Aslan Akman Filiz Baskan Gulgun Erdogan Tosun Siret Hursoy Aysegül Komsuoglu Gul M Kurtoglu Eskisar Yesim Kustepeli Nazif Mandaci Ibrahim Saylan Ugur Burc Yildiz *Middle Eastern Politics and Historical Memory* Jacob Lassner,2020-07-09 How is the complex history of the ancient Near East and Islamic World brought to bear in contemporary political discourse In this book Medieval Near Eastern historian Jacob Lassner explores the resonance of ancient and medieval history in the political disputes that dominate the contemporary Middle East From identification with ancient forbears as a method of legitimization and nation building to tracing the deep history of the concept of revolution in the Arab world the author probes the historical foundations of modern conflicts in the region A medievalist the author takes the position that an appreciation of cultural history is essential to understanding the debate surrounding the Israel Palestine conflict In turn the book identifies the misappropriation and misunderstanding of the past deliberate or accidental as key weapon in the ongoing conflict *The Political Economy of the Middle East: Islamic economics* Tim Niblock,Rodney Wilson,1999 *Islamic, Hindu, and Christian Fundamentalism Compared* Santosh C.
