William Flewelling

The Jesus Hope:

The Jesus Hope Stephen Travis, 1974 This is a book about hope In days when hope is in short supply I am persuaded that belief in the biblical promise of the return of Jesus Christ is the only realistic way to face the future I have tried throughout the book and especially in the last three chapters to show how the Christian hope is not a matter for tickling our minds but for changing our lives and for influencing society Given by Guild of Church Braillists [The Future of Catholic Theological Ethics](#) Anna Abram, 2018-03-15 This book is a printed edition of the Special Issue The Future of Catholic Theological Ethics that was published in Religions **Living Your Jesus Reality** Erich Fuls, 2012-03-14 Living Your Jesus Reality penned by author Erich Fuls presents that Jesus in Person came to reside in every born again believer Jesus lives here on earth in believers to implement the words and works of Almighty God The author grapples with these questions Why does the world not see Christ fully alive in and active through Christians Have Christians taken Christ out of Christianity The book flags that Christianity is dead apart from Christ living in His people and He Himself transforming the world through them Readers will be challenged to discover meditate and implement the truth that every believer is supposed to live from through and to Jesus alive in them The sharp shooting and compact style of the 60 essays and poems gives much food for reflection in every section without a long reading requirement This book is for everyone who wishes to know why there is such a glaring discrepancy between what Jesus prepared and promised for all and what one sees in Christian circles today Furthermore this book is for all Christians who are hungry to know and show Jesus in their everyday life for real Every Christian who is tired of a fake self based religious and ritualistic Christianity and seeks revival in his own life will get much blessing from this book Christians who want to live from through and to Jesus Christ in Person here within them need to read this book Faithfully following the Biblical teachings of this book will reveal God Jesus in Person in God s children and in action from within them

Thou Art the Christ Jonathan Jenkins, 2019-04-16 Matthew Mark Luke and John give four different views of the story of our Lord and Savior Jesus Christ Their accounts are compelling but they give a fragmented and scattered view of Jesus life In this devotional the author pieces together the life of Jesus within these accounts walking readers through His life chronologically In the process he seeks to answer questions such as What would a typical day with Jesus have included How did Christ interact with Scripture especially messianic prophecies When did the plot to kill Jesus begin and how extensive was it How many witnesses were there to the resurrection The author also examines how Jesus was first recognized as the Messiah and declared as the Son of God whether any court declared Him innocent and what Matthew Mark Luke and John s insights tell us about Jesus and His teachings *Thou Art the Christ* provides a nonbreaking narrative of Jesus s life connecting it to Old Testament prophecies about God s promise to send the Messiah for the whole world for any whosoever believing him
