The Jesus People Of The First Century:

The Jesus People of the First Century John Wood,1974 **The Jesus People Movement** Richard A.

Bustaan,2014-02-13 Who would have imagined that the hippies those long haired psychedelia influenced youth of the 1960s would have initiated a spiritual revolution that has transformed American Christianity If you are unfamiliar with the 1960s the counterculture the hippie movement and the Jesus People then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down If you have read other books on the Jesus People this account will take you by surprise A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement this book argues that the Jesus People though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood helped American Christianity negotiate a way forward in a post 1960s culture It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism Although utterly central the Jesus People s Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism This account uniquely redresses this omission

Century, 1890 *The Jesus Revolution* Dr Leith Anderson, 2010-09-01 The story of Jesus cannot be contained in a history of 33 years on an ancient strip of land along the eastern shore of the Mediterranean Sea The group of 120 followers Jesus empowered transformed the world with the good news of redemption and reconciliation he preached In this journey through the book of Acts discover the leaps of faith taken by the early church to spread the news of the miracles they d witnessed and the message they d received Their story carries us his current followers into our future Their devotion and perseverance challenges us to step out in faith and make a difference in Jesus name We can experience Jesus presence and power as the early church did and be part of the ongoing movement to change the world with his revolutionary message [http www cokesbury com media video abingdonpress LeithsInterview asx](http://www.cokesbury.com/media/video/abingdonpress/LeithsInterview.asx)

Jesus People David R. Catchpole, 2006 If you thought The Da Vinci Code was intriguing try the truth One of the foremost scholars in the field of New Testament studies takes up the quest for the historical Jesus and examines the community that formed around him Jesus People considers the controversial implications of Jesus studies for the Church today by exploring the quest for the historical Mary debates about the gospel and gender the meaning of the Eucharist and theories of the atonement Catchpole confronts current academic trends by portraying a genuinely Jewish Jesus and tackles the serious ethical problems of Christian portrayals and caricatures of Jesus and Judaism Jesus People is perfect for students specialists and anyone wanting to undertake detective work on the Gospels to discover the historical evidence about Jesus and his community

Unbelievable John Shelby Spong, 2018-02-13 Five hundred years after Martin Luther and his Ninety Five Theses ushered in the Reformation bestselling author and controversial bishop and teacher John Shelby Spong delivers twelve forward thinking theses to spark a new reformation to reinvigorate Christianity and ensure its future At the beginning of the sixteenth century Christianity was in crisis a state of conflict that gave birth to the Reformation in 1517 Enduring for more than 200 years Luther s movement was then followed by a revolutionary time of human knowledge Yet these advances in our thinking had little impact on Christians adherence to doctrine which has led the faith to a critical point once again Bible scholar and Episcopal bishop John Shelby Spong contends that there is mounting pressure among Christians for a radically new kind of Christianity a faith deeply connected to the human experience instead of outdated dogma To keep Christianity vital he urges modern Christians to update their faith in light of these advances in our knowledge and to challenge the rigid and problematic Church teachings that emerged with the Reformation There is a disconnect he argues between the language of traditional worship and the language of the twenty first century Bridging this divide requires us to rethink and reformulate our basic understanding of God With its revolutionary resistance to the authority of the Church in the sixteenth century Spong sees in Luther s movement a model for today s discontented Christians In fact the questions they raise resonate with those contemplated by our ancestors Does the idea of God still have meaning Can we still follow historic creeds with integrity Are not such claims as an infallible Pope or an inerrant Bible ridiculous in today s world In Unbelievable Spong outlines twelve theses to help today

s believers more deeply contemplate and reshape their faith As an educator clergyman and writer who has devoted his life to his faith Spong has enlightened Christians and challenged them to explore their beliefs in new and meaningful ways In this his final book he continues that rigorous tradition once again offering a revisionist approach that strengthens Christianity and secures its relevance for generations to come People's Commentary Formerly "A Pictorial Commentary" on the Gospel According to Mark Edwin Wilbur Rice, 1892
