The Jesus Touch

Dr. Lynn Anderson

The Jesus Touch:

Jesus Touch Dr. Lynn Anderson, 2010-05-11 Max Lucado says of this book Lynn Anderson has some words for your heart He will do more than help you deal with people he will help you love people His model The source of love Himself Jesus of Nazareth For Jesus people are number one For authentic followers of Jesus people become top priority as well Based on Jesus creative encounters with the people he met throughout the Gospel of John this powerful book will teach you how to treat each individual you meet with the creativity and love exhibited by the Master Walk through the days of Jesus life and witness heaven reaching down to humanity Immanuel among the earthlings the Christ amidst the commoners Jesus touch people

The Jesus Habits Jay Dennis, 2005 The Promise in looking at the Life of Christ is the idea that it is a life that can be imitated In this book we see the disciplines that shaped Jesus life These habits are for everyone from the busy executive to the stay at home mom The Christ who Embraces Jacob Joseph, 2024-10-28 Jacob Joseph s book The Christ who Embraces An Orthodox Theology of Margins explores the intersection of Orthodox Christian mission and caste dynamics among St Thomas Syrian Orthodox Christians in India It defines a liturgical touch or embrace in the context of untouchability where people identify as equal without discrimination reflecting the inseparable unity of Christ s transcendental divine and immanent human nature

Preaching the Parables Dallas A. Brauninger, 2003 Jesus used his parables to teach ordinary persons with mundane concerns about the kingdom of God and because these simple stories contain universal truth that transcends time and culture they still strike a powerful chord with us nearly two millennia later Preaching the Parables provides a gold mine of background material on each of the eighteen parables appearing in Cycle C of the Revised Common Lectionary Dallas Brauninger brings a fresh imaginative approach to these familiar texts probing them to reveal what they tell us about God and inviting further reflection on what they mean for us today Preaching the Parables is more than just a sermon preparation resource it s also stimulating reading for anyone seeking a deeper understanding of how God speaks to us through the parables Modeled on the format of Brauninger s popular Preaching the Miracles series each chapter in Preaching the Parables includes five sections Text the entire parable text is reproduced eliminating the need to flip back and forth to a Bible What s Happening a synopsis of points of action within the story defining its movement conflict and change or resolution Spadework significant terms are examined through a survey of Hebrew and New Testament writings Parallel Scripture similarities and differences with parallel stories in the other Gospels are highlighted where the story is unique parallel words and concepts are examined Chat Room readers are creatively engaged in a variety of imaginary online exchanges ranging from interviews with parable characters to browsing ideas to self driven conversations This permission giving resource encourages the reader to develop questions for the text It s the kind of yeast that gives rise to new shades and flavors of meaning Preaching the Parables nourishes a fresh receptivity to the speaking of the Spirit of God in the lectionary passage and in life Nancy B Rohde Interim Pastor Charlevoix United Church of Christ Charlevoix Michigan What a

refreshingly helpful way to exegete the text The succinct but substantive Spadework Parallel Scripture and Chat Room sections provide the preacher with an exciting array of ways to understand and give meaning to the parables Brauning's writing will afford the reader many Ahas Diana Coberly Pastor First Congregational United Church of Christ Great Bend Kansas Dallas A Brauning a cum laude graduate of Albion College received her Master of Divinity degree and an honorary Doctor of Divinity degree from Chicago Theological Seminary A full time writer she has served churches in Colorado and Nebraska Brauning is the recipient of denominational honor for outstanding ministry to persons with disabilities and their families and she is the editor of That All May Worship And Serve her denomination's national disabilities ministry newsletter She and her husband both ordained ministers in the United Church of Christ live in Friend Nebraska The Greek Language of Healing from Homer to New Testament Times Louise Wells, 2014-11-27 No detailed description available for The Greek Language of Healing from Homer to New Testament Times *Being God's Beloved* Adrian D. van Breda, 2014-10-21 Many of us struggle to come to grips with the idea that God loves us We may know it and believe it in our heads but getting that into our hearts and into our lives is not easy Sometimes what we have learned about God makes it even harder to really know that we are God's beloved Being God's Beloved will lead you through forty reflections on what it means to be beloved of God combining deep spirituality thoughtful Bible study and warm pastoral care The reflections lead you on a journey from before creation through the Old Testament into the life and ministry of Jesus Christ and on to the presence of the Holy Spirit It tells the great love story of God for the Creation over thousands of years Providing fresh insights into well known passages making thoughtful use of word studies and inviting us to think creatively about God in relation to the world this book will immerse you in an awareness of God's love Doing Theology in the New Normal Jione Havea, 2021-07-30 Responses to the recent pandemic have been driven by fear with social distancing and locking down of communities and borders as the most effective tactics Out of fear and strategies that separate and isolate emerges what has been described as the new normal which seems to mutate daily Truly global in scope with contributors from across the world this collection revisits four old responses to crises assure protest trick amend to explore if how those might still be relevant and effective and or how they might be mutated during and after a global pandemic Together they paint a grounded earthy context focused picture of what it means to do theology in the new normal **The Life of Christ: Seed time. The first conflicts. The crisis, chapters 1-2** Bernhard Weiss, 1894 **A Dictionary of Christ and the Gospels** James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even

when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

Life of Christ Bernhard Weiss, 1894 **The Four Gospels, as Interpreted by the Early Church** Francis Henry Dunwell, 1876 **People's Commentary on the Gospel According to John** Edwin Wilbur Rice, 1893 *The Church School Journal*, 1889 *Northfield Echoes* Delavan Leonard Pierson, 1897

The Jesus Touch Richard Hogue, 1972-01-01 **The Dayspring**, 1881 *The Evangelist*, 1899 *Biblical Lights & Side-lights* Charles Eugene Little, 1884 **The Miraculous Element in the Gospels** Alexander Balmain Bruce, 1893
