

The background of the book cover is a detailed illustration in a dark, monochromatic style. It depicts a large group of people, likely Jewish immigrants, seated in rows of wooden benches or desks. They are in a classroom or lecture hall setting, with a large, arched building visible in the background. The people are shown in various poses, some looking forward, some looking down, and some looking to the side. The overall tone is somber and historical.

The Jewish Immigrant in England, 1870-1914 Lloyd P. Gartner, 1980      *The Jewish Immigrant in England 1870-1914* Arye Gartner, 1957      Jewish Immigrants in London, 1880-1939 Susan L Tananbaum, 2015-10-06 Between 1880 and 1939 a quarter of a million European Jews settled in England Tananbaum explores the differing ways in which the existing Anglo Jewish communities local government and education and welfare organizations sought to socialize these new arrivals focusing on the experiences of working class women and children      *Jewish Immigrant Entrepreneurship in New York and London 1880-1914* A. Godley, 2001-07-18 How successful were the East European Jewish immigrants in London compared with the vast majority that went to New York This critical question one that lies at the heart of debates on Jewish modernity ethnic and racial assimilation and the impact of culture on entrepreneurship is assessed systematically for the first time in this volume Using new evidence of Jewish immigration mobility and assimilation Andrew Godley shows that despite similar backgrounds and opportunities the Jews in London were far less entrepreneurial and those in New York As the Jewish immigrants assimilated either American or British cultural values those in New York moved en masse into self employment while those in London opted to remain as workers Godley then reinterprets the broad thrust of British twentieth century economic history emphasising how these long standing anti entrepreneurial and highly conservative craft cultural values among the English working classes acted as a drag on innovation hampering industrial relations investment and growth

**London In The Nineteenth Century** Jerry White, 2011-06-08 Jerry White s *London in the Nineteenth Century* is the richest and most absorbing account of the city s greatest century by its leading expert London in the nineteenth century was the greatest city mankind had ever seen Its growth was stupendous Its wealth was dazzling Its horrors shocked the world This was the London of Blake Thackeray and Mayhew of Nash Faraday and Disraeli Most of all it was the London of Dickens As William Blake put it London was a Human awful wonder of God In Jerry White s dazzling history we witness the city s unparalleled metamorphosis over the course of the century through the daily lives of its inhabitants We see how Londoners worked played and adapted to the demands of the metropolis during this century of dizzying change The result is a panorama teeming with life      **The Jews of North America** Multicultural History Society of Ontario, 1987 *The Jews of North America* based on the latest research by fifteen historians and scholars from Canada Israel and the United States is the first book to focus on the ethnic totality of the American and Canadian Jewish experience The book blends a rich array of interrelated themes into a composite whole that is central to an understanding of North American Jewish history The emphasis on continuity of tradition in these essays counters the prevailing myth of discontinuity which promotes the notion of the great sense of separation Jews felt from the world we have lost The volume also provides an interesting comparative dimension by examining the similarities and dissimilarities of the American Jewish immigrant experience in both Canada and the United States      *American Jewish History* Jeffrey S. Gurock, 1998      *A History of the Jews in Britain Since 1858* Vivian David

Lipman,1990 Surveys Anglo Jewish history in the period 1858 1939 Notes that emancipation did not mean the end of anti Jewish prejudice Describes restrictions on East European Jewish immigration in 1881 1914 claiming that the common argument that immigration harmed native workers was connected with the policy of trade protectionism In the Edwardian era Jews began to be perceived as ruthless financial manipulators Jewish interests were regarded as alien and Jews were accused of ties with Germany during World War I Between 1916 and the early 1920s antisemitism grew Jews were especially identified with the revolutionary movements and the Protocols of the Elders of Zion received wide prominence In the 1930s the British Union of Fascists and other fascist groups were active and the Board of Deputies was forced to take defensive measures at a time when it was also involved in opposing Nazism and helping Central European Jewish refugees German Immigrants in Britain During the 19th Century, 1815-1914 Panikos Panayi,1995-06-05 For most of the nineteenth century Germans represented the largest continental immigrant population in Britain yet to date no study has concentrated on them They entered the country for a combination of religious political and economic reasons and established themselves in thriving immigrant communities Hostility towards them spread throughout the 1800s and escalated with the growth of Anglo German hostility in the period leading up to the outbreak of World War I This thoroughly researched study fills a gap in the modern history of Britain and the history of German immigrant communities It will be of interest to anyone wishing to learn more about Anglo German relations migration and ethnicity **The Great Jewish Migration, 1881-1914** Lloyd P. **American and British Jews in the Age of the Great Migration** Lloyd P. Gartner,2009 Professor Gartner emphasizes the cultural and economic transformation of the masses of immigrants and deals frankly with some of their social problems His studies pay attention to the religious behaviour of the immigrants which ranged from zeal to maintain traditions in full to indifference and even negative attitudes An important place is taken by the sensitive often difficult relations between the immigrants and the established Jewish communities of their adopted countries This collection makes readily available Professor Gartner s essays on the Great Migration and will be invaluable to students of many aspects of modern Jewish history Book Jacket *The Jewish East End, 1840-1939* Jewish Historical Society of England,1981 **The English and Immigration 1880-1910** John Adrian Garrard,Institute of Race Relations,1971 Comparative study of Jewish immigration 1880 1910 *European Immigrants in Britain 1933-1950* Johannes-Dieter Steinert,Inge Weber-Newth,2003 No detailed description available for European Immigrants in Britain 1933 1950 Economic History of the Jews in England Harold Pollins,1982 **East End Jewish Radicals, 1875-1914** William J. Fishman,1975 Between 1881 and 1914 London s East End became the refuge of thousands of Jews driven from Russia by the pogroms the shabby tenements of Whitechapel and Stepney were turned into sweatshops in which men and women laboured under appalling conditions Some of the immigrants had belonged to the radical intelligensia before their flight from the Tsarist police and this book describes their struggle to politicise and unite the Jewish workers one of the most fascinating yet neglected chapters in labour history Jacket *Jewish*
