[The Journey for Mama's Babies](#) Melissa R. Pandolf,2014-02-28

Melissa Pandolf has never been one to let a few rules stand in her way So when she and her husband Doug began the adoption process the hopeful mother to be had her sights set on quickly welcoming two beaming babies to make the Pandolf house a family home However after three years four trips to Russia one trip to Washington DC and two plane crashes that threatened to bring their dream down around them she came to realize that a bigger destiny awaited them on the other side of the world As the adoptive parents of four Russian siblings the young couple from Long Island learned the true meaning of family and what it means to go the extra mile to give your children what they need Beginning with the first meeting with an adoption agency The Journey for Mama's Babies chronicles the Pandolfs three year odyssey to bring their babies home From her na ve initial assumptions about the process to her ultimate hard won savvy and resolve Pandolf shares every key aspect of the experience including the unexpected depression that can be companion to this emotionally wrenching process With clear eyed candor the author recounts the ups and downs the unexpected twists and the backward loops that frequently punctuated their mission Along the way she and her husband were also faced with heartbreakng decisions that neither had anticipated as their dream of two children quickly grew when a larger group of siblings presented itself At the same time the couple also confronted the demand for an ironclad resiliency due to countless setbacks never ending red tape and a constantly shifting perspective on what it truly means to be a family Still their challenges only began when they finally were joined together in the United States as the Pandolfs scrambled to help their children make the transition from speaking Russian to speaking English and help them adjust to their new surroundings Enlightening easy to read and arrestingly honest The Journey for Mama's Babies will captivate anyone who has ever navigated the intricacies of the adoption process or who cares about someone who has Both inspiring and open eyed this tender telling story of a family built across oceans languages and every imaginable obstacle will take hold of your heart and make you hold your loved ones closer still
