**The Judas Squad** James N. Rowe,1977    *Jesus in Jerusalem* Eckhard Schnabel,2018-09-18 This is the first book to describe and analyze sequentially and in detail all the persons places times and events mentioned in the Gospel accounts of Jesus s last week in Jerusalem Part reference guide part theological exploration Eckhard Schnabel s Jesus in Jerusalem uses the biblical text and recent archaeological evidence to find meaning in Jesus s final days on earth Schnabel profiles the seventy two people and groups and the seventeen geographic locations named in the four passion narratives Placing the events of Jesus s last days in chronological order he unpacks their theological significance finding that Jesus s passion death and resurrection can be understood historically as well as from a faith perspective    [The Martyrdom of Jesus of Nazareth](#)

Jones,1986-01-01 This book brings together a substantial and representative selection of recent writings on the House of Lords from the accession of James I to the Parliament Act of 1911 The editors provide a general historiographical survey and a bibliography of recent writings on the House of Lords during the period

*The Master List Uncovered* Michael W. Dewar,2009-08 The Master List Uncovered is based upon Michael Dewar s pastoral preaching and teachings over the years it is an encouragement to believers to be steadfast in their faith But it is primarily a trumpet call to people everywhere Christians Gentiles Jews Muslims Buddhists and especially those without a religious faith to urgently contemplate their end of life destination and make the necessary change now by accepting God s redemptive offer of eternal life The compelling message of the book is that every human being will spend his or her eternity in one of two destinations and that destination choice must be made before physical death occurs or it will be made by default The default choice guarantees eternal death but the conscious deliberate choice of redemption guarantees eternal life in a hilariously happy place A person without a chosen end of life destination is a candidate for the eternal Lake of Burning Sulfur by default You are listed in one of God s two record books the book of life or the book of wrath Your listing determines your eternal destination The good news is you can change your listing and destination but the time to act is now

**Johannine Social Identity Formation after the Fall of the Jerusalem Temple** Christopher A. Porter,2021-10-25 In Johannine Social Identity Formation after the Fall of the Jerusalem Temple Christopher Porter reads the Fourth Gospel through the lens of social identity theory as means of reconciling the social dislocation and trauma of the destruction of the Jerusalem temple Analysing the Fourth Gospel in conversation with other temple removed texts of Qumran Philo and Josephus the gospel s intent to renegotiate cultic life without the temple can be seen Through this analysis it is argued that the Fourth Gospel primarily functions as an intra mural Jewish text attempting to negotiate the formation of a Jesus follower social identity in direct continuity with earlier Jewish shared social narratives Finally this work reviews the Johannine Community as an outcome of the Gospel identity formation    **A Group of Old Authors** Clyde Bowman Furst,1899    [The](#)
