## **The Just Society:**

Qur'an and the Just Society Ramon Harvey,2017-10-23 Utilising a pioneering theological and hermeneutic framework adapted from both classical Muslim literature and contemporary academic studies of the Qur'an Ramon Harvey explores the underlying principles of its system of social justice    **Christ and the Just Society in the Thought of Augustine** Robert Dodaro,2004-11-25 Christ and the Just Society in the Thought of Augustine is a study of Augustine's political thought and ethics in relation to his theology The book examines fundamental issues in Augustine's theological and political ethics in relation to the question How did Augustine conceive the just society At the heart of the book's approach is the relationship that Augustine outlines in his City of God and other writings between Christ and those believers who acknowledge him to be the only source of the soul's virtue The book demonstrates how Augustine sees Christ's grace and the scriptures contributing to the soul's growth in virtue especially as these issues are framed by the Pelagian controversy Finally the implications which Augustine sees for Christ's mediation of virtue are examined in relation to his revision of the ancient concepts of heroism and the statesman    The Just Society ,1995    Christ and the Just Society in the Thought of Augustine Robert

Dodaro,2008-07-31 Considering Augustine's political thought and ethics in relation to his theology this book expands on earlier works by Augustine It focuses on the role of grace and the Bible which Augustine saw as contributing to the soul's growth in virtue leading him to revise the ancient concepts of heroism and the statesman The volume will be essential reading for scholars of Augustine Christian theology late Roman antiquity the history of Western political thought and political ethics    *The last of the Haddons* Mary Wentworth Newman,1896    **The Just Society** Ellen F.
