The Justice Of Reincarnation:

THE LAW OF REINCARNATION Jideoni Charles, 2013-06-25 This book delves into the natural law that starts off where the Law of Economy of Life i e Death must have exhausted itself on a transiting soul The reader is gradually but imperceptibly led into embracing reincarnation as a divine principle that irrefutably serves to prove the existence of God to substantiate His perfect character and exonerate Him from the injustice of partiality The utility value of a deep understanding of this Law of Reincarnation as it affects the interpersonal life of the earthly men is such that every human will eventually tend to relate with every other human out of duty to the best of his humour love and care towards an ever lasting universal brotherhood peace and harmony *Christians Remember Your Past Lives Learn How* Douglas Casimiri, 2013-07-23 This book teaches you how to become a Certified Past life Regression Facilitator Where your interest is for fun self improvement a new career or practice you will find the information contained in this book fascinating and life changing Who were you in your past life What personality traits did you bring forward into this lifetime Christians will especially find this book fascinating as it allows them to follow Jesus and his belief in reincarnation Did you know Reincarnation was part of the early Christian belief system for almost 300 years until the Church removed reincarnation from the Bible then eliminated anyone who didnt follow this strict revised doctrine as set forth by the Church Interesting note some Biblical scholars believe that Jesus is the reincarnate of Buddha who was the reincarnate of Kristina Backed up with indisputable historical assumptions A must read for anyone who strives for the truth about Christianitys original teachings

Reincarnation and the Law of Karma William Walker Atkinson, 1908 By Reincarnation we mean the repeated incarnation or embodiment in flesh of the soul or immaterial part of man s nature The term Metempsychosis is frequently employed in the same sense the definition of the latter term being The passage of the soul as an immortal essence at the death of the body into another living body The term Transmigration of Souls is sometimes employed the term being used in the sense of passing from one body into another But the term Transmigration is often used in connection with the belief of certain undeveloped races who held that the soul of men sometimes passed into the bodies of the lower animals as a punishment for their sins committed during the human life But this belief is held in disrepute by the adherents of Reincarnation or Metempsychosis and has no connection with their philosophy or beliefs the ideas having sprung from an entirely different source and having nothing in common There are many forms of belief many degrees of doctrine regarding Reincarnation as we shall see as we proceed but there is a fundamental and basic principle underlying all of the various shades of opinion and divisions of the schools This fundamental belief may be expressed as the doctrine that there is in man an immaterial Something called the soul spirit inner self or many other names which does not perish at the death or disintegration of the body but which persists as an entity and after a shorter or longer interval of rest reincarnates or is re born into a new body that of an unborn infant from whence it proceeds to live a new life in the body more or less unconscious

of its past existences but containing within itself the essence or results of its past lives which experiences go to make up its new character or personality It is usually held that the rebirth is governed by the law of attraction under one name or another and which law operates in accordance with strict justice in the direction of attracting the reincarnating soul to a body and conditions in accordance with the tendencies of the past life the parents also attracting to them a soul bound to them by some ties in the past the law being universal uniform and equitable to all concerned in the matter This is a general statement of the doctrine as it is generally held by the most intelligent of its adherents

The Killers Within US Scott Carroll, M.C.,2014-12-14 The Killers Within US are those individuals who are in such pain that they tragically kill others and or themselves These individuals often leave a wake of confusion anger and hurt among their survivors This book explores the most common disorder linked to suicide homicide and several other disorders that kill millions of people annually A mental disorder known as Borderline Personality Disorder BPD or its traits frequently influence these individuals in particular to the point of killing Several BPD traits span thousands of years and are mentioned within the Holy Bible This book explores the truth about and the origin of BPD and offers both Biblical and Clinical ways to recover from it God said Let my people go and the Truth will set you free This book is full of truth and by applying these truths within it it is hoped that you too can be set free from the Killers Within you
