## **The Kaisers Voters Electors And Elections In Imperial Germany:**

**The Kaiser's Voters** Jonathan Sperber,1997-09-11 An analysis of the voting patterns and behaviour in the thirteen general elections held in pre 1914 Germany     **Urban Liberalism in Imperial Germany** Jan Palmowski,1999-05-13 Debates about Liberalism in imperial Germany have focused almost exclusively on the national level This book investigates liberal politics in local government the only sphere in which liberals had direct access to power throughout Germany Through the study of one of Germany s most progressive cities Frankfurt am Main Jan Palmowski examines more generally the processes of politicization and policy formulation at the local level He argues that in Frankfurt as elsewhere local affairs had become politicized not around 1900 as is generally assumed but by the 1870s Once in power the liberals concern for religion social policy and education as well as their skilful use of fiscal policy shows that liberals in Germany were as sophisticated as liberals in Britain or France Even in the face of an authoritarian state structure German liberals received and made use of freedom for renewal and reform German liberalism was not inherently weak Instead the crucial problem lay in the country s complicated federal structure which made it impossible to transfer innovations from the local level to the state and national levels

*The Ashgate Research Companion to Imperial Germany* Matthew Jefferies,2016-03-03 Germany s imperial era 1871 1918 continues to attract both scholars and the general public alike The American historian Roger Chickering has referred to the historiography on the Kaiserreich as an extraordinary body of historical scholarship whose quality and diversity stands comparison with that of any other episode in European history This Companion is a significant addition to this body of scholarship with the emphasis very much on the present and future Questions of continuity remain a vital and necessary line of historical enquiry and while it may have been short lived the Kaiserreich remains central to modern German and European history The volume allows 25 experts from across the globe to write at length about the state of research in their own specialist fields offering original insights as well as historiographical reflections and rounded off with extensive suggestions for further reading The chapters are grouped into five thematic sections chosen to reflect the full range of research being undertaken on imperial German history today and together offer a comprehensive and authoritative reference resource

Overall this collection will provide scholars and students with a lively take on this fascinating period of German history from the nation s unification in 1871 right up until the end of World War I     **From Open Secrets to Secret Voting** Isabela Mares,2015-06-17 This book presents an account of the adoption of electoral reforms democratizing electoral practices in nineteenth century European countries

*Contesting the German Empire 1871 - 1918* Matthew Jefferies,2008-01-03 This volume provides an up to date and accessible guide to the diversity of current thinking on Imperial Germany Offers a historiographical overview spanning more than a century of works on the German Empire Guides readers through the main approaches from personalist to structuralist and post structuralist Presents varying perspectives on gender cultural history foreign relations colonialism and war Explores the controversial historical reputations of Bismarck and Kaiser Wilhelm II

Reflects the wide range of opinions on Imperial Germany held by historians today **Anarchism and the Political Culture of Imperial Germany, 1870-1914** Elun T. Gabriel,2003 *German History from the Margins* Neil Gregor,Nils

Roemer,Mark Roseman,2006-06-14 Despite continuities from nineteenth century Germanization policies to the Nazis radical drive for ethnic purity Germany's minorities were active partners in defining what it was to be German Even after 1945 despite the legacy of the Nazis murderous destructiveness German society continued to be characterized by ethnic and cultural diversity While the Holocaust continues to raise key questions about the place of ethnic minorities in modern Germany the research presented in this volume reveals complexity diversity and openness in German history's traditions
