Sonora Sundown:

Sonora Sundown Janet Dailey, 1978 A Natural History of the Romance Novel Pamela Regis, 2013-08-31 The romance novel has the strange distinction of being the most popular but least respected of literary genres While it remains consistently dominant in bookstores and on best seller lists it is also widely dismissed by the critical community Scholars have alleged that romance novels help create subservient readers who are largely women by confining heroines to stories that ignore issues other than love and marriage Pamela Regis argues that such critical studies fail to take into consideration the personal choice of readers offer any true definition of the romance novel or discuss the nature and scope of the genre Presenting the counterclaim that the romance novel does not enslave women but on the contrary is about celebrating freedom and joy Regis offers a definition that provides critics with an expanded vocabulary for discussing a genre that is both classic and contemporary sexy and entertaining Taking the stance that the popular romance novel is a work of literature with a brilliant pedigree Regis asserts that it is also a very old stable form She traces the literary history of the romance novel from canonical works such as Richardson s Pamela through Austen s Pride and Prejudice Bront s Jane Eyre and E M Hull s The Sheik and then turns to more contemporary works such as the novels of Georgette Heyer Mary Stewart Janet Dailey Jayne Ann Krentz and Nora Roberts **Sonora Sundown** Janet Dailey, 1999-12-01 Every novel in this collection is your passport to a romantic tour of the United States through time honored favorites by America s First Lady of romance fiction Each of the fifty novels is set in a different state researched by Janet and her husband Bill For the Daileys it was an odyssey of discovery For you it s the journey of a lifetime Your tour of desire begins with this story set in Arizona **Rockhounding for Beginners** Suleyman Cesur, 2020-04-26 The basic principles of rockhounding and sample pictures with the properties of all gemstones This book is for beginners **Love is a Distant Shore** Claire Harrison, 1986 Love Distant Shore by Claire Harrison released on Sep 24 1986 is available now for purchase American Cotswold Record American Cotswold Registry Association, 1885 **American Cotswold Record Containing the Pedigrees of Pure Bred Cotswold Sheep** American Cotswold association, 1885 **Savage Land Tx** Harlequin Enterprises ULC, Janet Dailey, 1988-09 *Valley of the Vapours* Janet Dailey, 1988-03 **Stardust and Whirlwinds** Pamela Litton, 1991 Stardust And Whirlwinds by Pamela Litton released on Jan 25 1991 is available now for purchase **The Travelling Kind** Janet Dailey, 1991-05-25 The Travelling Kind by Janet Dailey released on May 25 1991 is available now for purchase **How to Write a Romance and Get It Published** Kathryn Falk, 1984-05 **Contemporary Authors New Revision** Susan Trosky, 1993-01-29 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available
