Soul Saving Preaching:

Soul Saving John Lincoln Brandt,1907 *Preaching Christ from the Old Testament* Sidney Greidanus,1999-07-13
Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament *Soul Saving* John Lincoln Brandt,2017-01-07 Excerpt from *Soul Saving Revival Sermons* The supreme need of the Church today is soul saving Some think the greatest need is a pipe organ a better choir a better building or a better preacher but the greatest need is a passion to save 501115 Only one fourth Of our population are professed Christians Think of the men and women every day going down to ruin Think of the millions in the gall of bitterness and the bonds of iniquity Think of the terrible evils of intemperance Think of the dishonesty in business Think of the deceit in society Think Of the wicked ness in high places Think Of the dogmas and tradi tions of men that have been substituted for the word Of God Think of the indifference and negligence on the part Of the professed followers of Christ Think of the majority of the inhabitants of the world on the broad road to destruction who must be turned back to God back from the powers of darkness to the light of heaven back from the error of their ways to Christ s way About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
