

The background of the entire image is a monochromatic blue-toned illustration of a post-apocalyptic landscape. In the center, a person is seen from behind, standing on a grassy hill and looking out over a desolate city. The city features several tall, jagged, and partially ruined buildings. To the left, there are two utility poles with cross-arms. To the right, a large construction crane stands amidst the ruins. A large, bright, circular moon or sun is positioned in the sky, partially obscured by the city's structures. The overall atmosphere is one of solitude and the aftermath of a catastrophic event.
