## Summer Fancy:

**Summer Cruise in the Mediterranean on board an American frigate** Nathaniel Parker Willis,2019-12-13 Nathaniel Parker Willis's Summer Cruise in the Mediterranean on board an American frigate is a captivating blend of travel narrative and maritime adventure. Written in an eloquent prose style characteristic of the early 19th century, Willis provides an immersive account of his experiences aboard the USS Constitution. Rich with vivid descriptions and astute observations, the book situates itself within the broader context of American Romanticism, enticing readers with its evocative depictions of the Mediterranean's enchanting landscapes and vibrant cultures. Through interludes of personal introspection, Willis reflects on the interplay between nature, human experience, and the evolving identity of America during a time of burgeoning naval power and exploration. Willis, a prominent American writer and poet, is known for his keen insights into societal issues and romantic sensibilities. A conductor of early American literature, his travels abroad, particularly to the Mediterranean, fueled his artistic perspective and encouraged a deeper contemplation of culture, character, and the human spirit. His encounters and dialogues while aboard the frigate not only shaped his literary oeuvre but also provided him with a profound appreciation for international camaraderie in a post-Independence America. This book is an essential read for anyone captivated by maritime history, the Romantic spirit, or the elegant prose of 19th century literature. Willis's unique perspective not only illuminates the allure of the Mediterranean region but also evokes the heroism and charm of naval voyages. It beckons readers to embark on a journey through both time and space, fostering a deeper understanding of America's place in a global maritime context.

Every instinct told Police Chief Clancy Flynn that his island's claim to fame was nothing but a silly tourist attraction. But now and then he couldn't help but wonder if his lifetime of bad romances starting with the pretty tourist who broke his fourteen year old heart could be traced back to a childhood prank involving a mermaid statue. Then one day the pretty tourist comes barreling back into Bayberry all grown up and on the run with her niece. Though Evelyn McGuinness is wanted for kidnapping, she tries to persuade Clancy that there's more to the story. Now the by the book police chief must make the toughest decision of his life to take Evelyn into custody or into his arms.      **Special Agents Series** ,1918      Poems of Home and Nature Alfred Saxelby West,1870      **Works** Thomas Hardy,1894      *The Heart Line* Gelett Burgess,2009
