Summer Lovers:

A Summer Love Affair Holly Chamberlin, 2022-06-28 Summer in Maine means breezy sun kissed beach days golden evenings and in bestselling author Holly Chamberlin's irresistible novels a time for self discovery and surprising connections Sometimes you sense something deep inside long before it's proven true Thirty year old Petra Quirk has always felt as if a vital element of her life is missing It's not until she moves back to the small town of Eliot's Corner for the summer that she learns why Rummaging in the attic Petra comes across a diary The discovery prompts her mother Elizabeth to make a confession to her three daughters Decades ago she fell in love with her husband's best friend Chris and Petra is Chris's child Elizabeth ended the affair before she learned she was pregnant and Chris has no idea he's a father Hugh who Petra believed to be her dad was a good natured but self centered blustering man He and Chris seemed to have little in common though their friendship was genuine Elizabeth loved Chris deeply yet refused to tear her family apart Even since Hugh's death she's resisted contacting Chris But Petra floundering and unsure of her path is compelled to search out her biological father though she knows it will complicate her relationship with her family Over the course of two summers decades apart romance will be kindled and rekindled life altering decisions made and secrets of the heart will come to light at last Praise for the novels of Holly Chamberlin A great summer read but with substance It will find a wide audience in its exploration of sisterhood family and loss Library Journal on Summer with My Sisters Nostalgia over real life friendships lost and regained pulls readers into the story USA Today on Summer Friends *More Than a Summer's Love* Yvonne Lehman, 1985
