Sunlit Days ,1915 **The Great Escape** Ardhendu De,2023-11-18 A Drama in Short Scenes By Ardhendu De The backdrop of our narrative is set against a grim reality the National Crime Records Bureau NCRB reports that since the 1970s farmers have been taking their lives due to insurmountable debt often owed to private landlords and banks In the period from 2014 to 2020 over 11 000 farmers died by suicide unveiling a crisis that extends beyond the headlines The NCRB data further discloses that between 1995 and 2014 a staggering 296 438 Indian farmers succumbed to the pressures they faced The characters in the drama Krishna Shambhu Suili and others personify the multifaceted challenges societal expectations and systemic shortcomings that drive farmers to desperation As we witness their stories we delve into the complexities of their lives aiming not just to evoke sympathy but to stimulate a collective search for solutions This drama is not a passive performance it is an urgent call to action Through the characters struggles we hope to unveil the layers of hardship that often go unnoticed Yet amidst this portrayal of despair there is an undercurrent of resilience a testament to the enduring strength of our farmers The narrative is a mirror reflecting the uncomfortable truths that linger in the shadow of our collective consciousness Our stage is not just a canvas for sorrow it is a forum for exploration and most importantly a quest for solutions The characters symbolize the diverse roles that contribute to change whether it be the agricultural officer promoting sustainable practices or the local political leader advocating for systemic reforms As the drama unfolds we invite you to witness not just the struggles but the transformative power of unity empathy and collective action This is an opportunity to transcend the role of mere spectators and become participants in a shared commitment to stand beside our farmers The solutions we seek lie not in isolation but in the strength of our interconnectedness In the face of adversity community bonds resilience and an unwavering spirit emerge Beyond the confines of this auditorium we carry the narrative into our conversations actions and advocacy By doing so we contribute to a broader dialogue surrounding the well being of our farmers and the necessary policy changes Vick's Monthly Magazine ... ,1885 Werner's Magazine ,1898 Seer Quest Lisa Wright DeGroot,2008-11-19 The Quests continue A librarian with the NYC library Liz Keeper stumbles upon a strange book Liz quickly realizes that she can read the mysterious language and discovers the manuscript is a primer on how to be a Seer Soon Liz is beset with strange visions and dreams that are disconcertingly valid predictions of future events Panicked and wary when she researches the books legacy wheels are set in motion that bring Evil into Lizs life and chases her through the Interdimensional Void barely escaping his clutches Once in the Land Liz is beset from all sides by intrigue and Uncomfortable with her new powers Liz is not sure she wants to be intertwined with the Land permanently Help comes from the least expected sources as does treachery While battling Evil at every step Liz has to learn to rely upon herself not the Seer not the Protectors not even the handsome Guardsman who becomes more than just a bodyguard Liz must realize her true strength and power in enough time to make the right choice for herself and the Land The fate of the dimensions lie
