Schindler, 2013-04 The JESUS Model is a unique guide to church planting based upon the ways and teachings of Jesus It is written for those who want both a biblical foundation and practical help in starting new churches The JESUS Model is also a training manual for disciples at four levels discipling coaching leading a ministry area and leading a church plant The author's radical vision is for this sort of training to be a constantly self replicating cycle in churches Each member is discipling and being disciplined to be most effective according to his or her gifts in the church's task of multiplication by planting new churches The goal of all training is doing disciples demonstrate that they have learnt by putting it into practice Dietrich shows that this kind of discipleship is the fruit of a real and intimate relationship with Jesus and that a trusting mutually accountable small group helps us to maintain that relationship He also shares from his own life how he has practised the principles that he encourages others to follow Dietrich Schindler holds a DMin from Fuller Seminary in the USA Born and raised in the US by German immigrant parents he subsequently returned to Germany where he has since planted and pastored five new churches Since 2008 he heads up the Church Planting department of the Evangelical Free Church of Germany He has taught church planting at four seminaries in Germany and has been invited to speak about church planting at conferences in Germany Austria Switzerland France Norway Sweden and the Netherlands This book first appeared in German in 2010 under the title *Das Jesus Modell Gemeinden gründen wie Jesus* Dietrich is married to Jan Carla and they have three grown up children *The Jesus Model* David Loren McKenna, 1977 [The Gospel Truth](#) Patrick T. The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations

**Violence** Wolfgang Huber, Newspapers daily document the violence that rends our times Who can account for its relentless pervasion Why is it also found fascinating or gripping What is wrong with societies that produce it Answers are elusive and fragile renowned ethicist Huber believes For even apart from the gross brutalities of crime and war he finds more subtle and covert violence in childrearing family intimacy schools employee relations entertainment and competitive sports Huber shows how the constant everyday disregard of human dignity is a root of violence in all spheres how the inviolability of dignity is the one absolutely necessary premise of countering violence and how we can become personally vigilant in the service of human dignity Huber s clear sweeping creed articulates principles of a planetary ethos a public theology for rebuilding personal and political culture rent by violence

**Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook** Dr. John Mannion, 2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber s My Utmost for His Highest in that it is meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day s study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of Nuggets of Truth A Bible Student s Devotional and A Bible Teacher s Resource Handbook reveals the two fold purpose and use of this book It is meant to be a devotional for Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase
