The Jesus Rule:

The Jesus Code John Randolph Price, 2000-02-01 A mystical experience reveals a new paradigm for life enabling us as the phoenix to rise triumphant from scarcity discord and sickness into a light filled world of abundance right relations and wholeness In a very vivid dream during the night of January 1 1998 John Randolph Price was emphatically denied access to the secret gate leading to Cosmic Consciousness Both curious and concerned he pondered what to do next Then he was suddenly given the specific instruction See Jesus for the Code John began the task immediately upon awakening first with quiet prayer to become attuned to the mind which was in Christ Jesus followed by several days of meditative inner plane work There was little progress until he took a break from the project and went for a long walk in the woods And it was there that he heard the central message of the Code a challenge for all of us to embrace a new Model of Reality and change our perspective on what it means to be spiritual in this world From this mystical experience came specific steps to higher consciousness a ladder to climb to a new dimension where the illusions of sickness scarcity and discord are shattered and a world of wholeness abundance and right relations is revealed John was also given a glimpse of the future as we enter the millennium and was shown how lasting peace will finally come to planet Earth *The Jesus Code* O. S. Hawkins, 2014-08-05 Jesus gets attention not with exclamation marks but with question marks Jesus was always asking questions Whether with a small group or large crowd Jesus opened hearts and minds by asking questions that grasped attention and made one think In *The Jesus Code* author O S Hawkins poses fifty two thought provoking questions found throughout the Bible that believers should be able to answer as they grow in their faith and share their faith with others Each question features a devotional thought to help readers find answers and promote further reflection Sample questions include What does the Lord require of you Where can I go from Your Spirit Who is my neighbor What is your life A vapor that appears and vanishes away Why do you seek the living among the dead Will a man rob God Features Benefits Includes 52 thought provoking questions and answers Handsome burnished leathersoft binding for a rich classic look This release follows peak of O S Hawkins book *The Joshua Code* with sales of more than 150 000 units All author royalties go toward Mission Dignity an organization that supports retired pastors and their spouses living near the poverty level *Inventing Christic Jesuses: Rules and Warrants for Theology* Charles A. Wilson, 2018-11-01 In the first comprehensive proposal for revisionist theology s deployment of historical Jesus research *Inventing Christic Jesuses* rejects positions that insulate theology from Jesus research By setting out theological methods warrants and rules in dialogue with an analysis of the Jesus historians of the Third Quest c 1980 2010 the study charts a path toward a quested christology positioned between categorical rejection and uncritical acceptance of historical results on Jesus Volume 1 Method analyzes the methods and values of historical research on Jesus and identifies the retrojective activity of value production when historians in conversation with historical sources invent images of Jesus Volume 2 Christological Recommendations gathers potential contributions of Jesus research for revisionist theology

according to the cataphatic apophatic and eminent pattern of classical theology By attending to the limits and opportunities afforded by historical research both negative and positive the argument retrieves for theology the complex way that historians shape same and different association and dissociation in the production of their Jesuses Then it analyzes how values shape Jesuses in a pervasive Narcissus project to invent a self and a community through imaging Jesus Proposing that the disciplined invention of Jesuses is highly useful for theology the book ends with recommendations for a quested christology The Cambridge Review ,1897 **Revelation (Baker Exegetical Commentary on the New Testament)** Thomas R.
