*It's a Jesus Thing* Scott Kelby, 2012-01-31      *Something That Matters* David R. Mason, 2011-07-08 This fresh new work explores major themes in Christian theology refracted through a worldview that perceives everything God and the world to be dynamic temporal and interrelated Though seemingly complicated process theology offers a worldview that is attractive to Christians seeking a better understanding of their faith in the context of science and the challenges of the new atheism *Something That Matters* A Theology for Critical Believers makes both this worldview and its applications for life today accessible to the lay reader The book's argument is built around the conviction that we are all something that matters that humans make a difference in the world and hence in the life of God The book addresses a broad range of topics important to Christian theology faith religion God Christ the Trinity prayer the ethical life what it means to be human and our ultimate destiny eschatology It also includes a chapter on the development and basic ideas of process philosophy which informs this theology Incorporating insights from the sciences as well as from the Bible this critical reevaluation brings the Christian proclamation to life for a modern world      **The Jesus You Never Knew** Dr. Henry DePetro, 2012-09 In the hearts of all mankind of whatever race or station in life there are inexpressible longings for something they do not now possess This longing is implanted in the very constitution of man by a merciful God that man may not be satisfied with his present conditions or attainments whether bad or good or better God desires that the human shall seek the best and find it to the eternal blessing of his soul Satan by wily scheme and craft has perverted these longings of the human heart He makes men believe that this desire may be satisfied by pleasure by wealth by ease by fame by power but those who have been thus deceived by him and they number myriads find all these things pall upon the sense leaving the soul as barren and unsatisfied as before It is God's design that this longing of the human heart should lead to the One who alone is able to satisfy it The desire is of Him that it may lead to Him the fullness and fulfillment of that desire That fullness is found in Jesus the Christ the Son of the Eternal God For it was the good pleasure of the Father that in Him should all the fullness dwell for in Him dwelleth all the fullness of the Godhead bodily And it is also true that in Him ye are made full with respect to every desire divinely implanted and normally followed Haggai calls Him the Desire of all nations and we may well call Him the Desire of all ages even as He is the King of ages It is the purpose of this book to set forth Jesus Christ as the One in whom every longing may be satisfied There is many a Life of Christ written excellent books large funds of information elaborate essays on chronology and contemporaneous history customs and events with much of the teaching and many glimpses of the many sided life of Jesus of Nazareth Yet it may be truly said The half has never been told It is not however the purpose of this work to set forth a harmony of the Gospels or even to give in strictly chronological order the important events and wonderful lessons of the life of Christ its purpose is to present the love of God as revealed in His Son the divine beauty of life of Christ of which all may partake and not to satisfy the desires of the merely curious nor the questionings of critics But even as the attraction of His

own goodness of character Jesus drew His disciples unto himself and his personal presence by His sympathetic touch and feeling in all their infirmities and needs and by his constant association transformed their characters from the earthly to the heavenly from the selfish to the sacrificing from the small hearted ignorance and prejudice to large hearted knowledge and profound love for souls of all nations and races even so it is the purpose of this book so to present the blessed Redeemer as to help the reader to come to Him face to face heart to heart and find in Him even as did the disciples of old Jesus the Mighty One who saves to the uttermost and transforms to His own divine image all of those who come unto God by Him Yet how impossible it is to reveal His life It is like attempting to put upon canvas the living rainbow into characters of black and white the sweetest music

The Jesus Thing John J. Vincent, 1973      **Give Jesus Something to Bless** Rudolph Prescod, 2015-08-21

Give Jesus Something to Bless Even if it is Just Your Lunch is a different and exciting approach to giving This book takes the story of Jesus blessing a boy's lunch and feeding a large crowd with the disciples retrieving twelve baskets of leftovers and challenges the reader to enter the story Firstly as the boy and offer Jesus your lunch for Him to bless it and thereby see many blessed Secondly as one of the disciples and obediently follow and learn what it is like to see Jesus perform uncommon miracles by using the simple things which are placed in His hands

The Mirror George Aidoo, 1978-09-29      *A Beautiful Offering* Angela Thomas, 2006-05-28

For many years Angela Thomas thought of the Beatitudes as a list of Gotta Be's as in Gotta be meek Gotta be merciful And when she compared her life to the standard they set she always felt that she came up short But through God's great mercy she has come to see this passage instead as a roster of When You Are's When you are meek there is a spiritual inheritance When you are merciful you will be shown mercy This shift in thinking has led Thomas to understand that God does not require perfection but rather our gracious obedience In His eyes our lives complete with mistakes blemishes and imperfections are A Beautiful Offering

That Kiss From Heaven Fell On My Heart C. Nicole Treadwell,2009-03-16 Nicole Treadwell has a secret If she reveals it she will surely die Of course she knows it s true because certain death is what he promised her after the incident in the deep woods years ago Her fate ever in his hands keeping the secret guts her on the inside as she struggles to make ends meet serving as a law clerk to a dangerously ambitious judge in the Nation s Capitol with secrets of her own Nicole is tired exhausted toying with thoughts she s afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can t save herself but who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole s former law school chum and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole s boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole s harmless solution Their former friendship on course to self ignite or implode sets in motion a chain of events that blast open the door to Nicole s secret past and their bitter sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do you really believe And more can redemption ever come too late
