The Joy of Growing Old with God Teri Pizza,Ronald Lukat,2012-07-01 The Joy of Growing Old with God captures the reflections of several people who have found joy in the aging process The authors wanted to provide a story that would encourage and inspire their children their children s children and others of the joys they were experiencing as they passed through this time in their life They focus their reflections on how their relationship with God has influenced their perspective of these years The authors believe that age strips away the pretense of younger years and leaves bare the soul that is happily ready to listen to its Lord and Master Even though the latter years may be filled with some medical issues and other challenges these authors believe that their lives now are bigger better and more profound than they were when they were younger Through these letters poems testimonials and essays they share the spirit and enthusiasm they have for life with God in their later years from the Foreword by Ronald Lukat

101 Ways To Grow Old Disgracefully Richard de Meath,2013-06-01 As we age our outlook on life alters teaching us that no matter how hard we struggle to hold back the clock of time We find the golden years are stress free offering a greater sense of freedom Many find the ageing experience tells you that you really are as young as you feel They see little reason to turn into caricatures of their parents or worst still their grandparents What was once regarded as old age has become the new middle age This is the time of the sixties generation revealing there is a lot to be said for enjoying yourself just for the hell of it The creators of rock music the ageing pop stars that see little reason to sit back and collect their pension now dance to a more exciting tune People over a certain age discover there is a mischievous inner self waiting to come out to play This book offers new insights into what people mean when they say they enjoy growing old disgracefully

I Love Growing Older, But I'll Never Grow Old Dr. J. Ellsworth Kalas,2013-04-01 Growing older is a process Growing old is a conclusion If you re growing older you see some hope because you have perspective and you keep learning If you ve grown old you may cynically think that times have never been as bad as they are now and that they can only get worse This book is about learning how to make peace with where you are right now It s about learning from the past and

then moving past it It s about growing personally spiritually and in our relationships with God and with others If we think properly about growing older we ll never have to grow old A discussion guide is included **Growing Up at Work** Yael C.
