The Island Queen R.M Ballantyne,2020-07-17 Reproduction of the original The Island Queen by R M Ballantyne **The Island Queen** R. M. Ballantyne,2007-12 Captain Dunning stood with his back to the fireplace in the back parlour of a temperance coffee house in a certain town on the eastern seaboard of America The name of that town is unimportant and for reasons with which the reader has nothing to do we do not mean to disclose it Captain Dunning besides being the owner and commander of a South Sea whale ship was the owner of a large burly body a pair of broad shoulders a pair of immense red whiskers that met under his chin a short red little nose a large firm mouth and a pair of light blue eyes which according to their owner s mood could flash like those of a tiger or twinkle sweetly like the eyes of a laughing child But his eyes seldom flashed they more frequently twinkled for the captain was the very soul of kindness and good humour Yet he was abrupt and sharp in his manner so that superficial observers sometimes said he was hasty Merchant Vessels of the United States ,1989 **Lake Erie Stories** Chad Fraser,2008-05-05 Most people think of Lake Erie the shallowest and second smallest of the Great Lakes as a sun drenched nearly tropical retreat But it is so much more mysterious unpredictable and known by mariners for its sudden violent weather and dangerous shoals Lake Erie has been the stage for some of the most dramatic events ever to occur on the North American continent From the earliest explorations of First Nations and French adventurers to the brazen rumrunners of the Prohibition era and beyond this fascinating book takes the reader inside the remarkable personalities and harrowing events that have shaped the lake and the towns and cities that surround it Based on thorough research extensive travels and firsthand accounts from the people who have lived worked and made their names on the lake Lake Erie Stories takes a fresh look at the history of what may be the most colourful of all the Great Lakes **Along the Ohio River** Robert Schrage,Donald Clare,2006 An illustrated journey along the Ohio River offers photographic images of this dynamic and important American waterway including riverfront cities commerce industry natural and scenic wonders and more from Cincinnati Ohio to Louisville Kentucky Original *The Island Queen* R. Ballantyne,2007-12 Early one morning in the year 18 hundred and something the great Southern Ocean was in one of its calmest moods insomuch that the cloudlets in the blue vault above were reflected with almost perfect fidelity in the blue hemisphere below and it was barely possible to discern the dividing line between water and sky The only objects within the circle of the horizon that presented the appearance of solidity were an albatross sailing in the air and a little boat floating on the sea The boat rested on its own reflected image almost motionless save when a slight undulation of the water caused the lower edge of its reflection to break off in oily patches but there was no dip of oars at its sides no rowers on its thwarts no guiding hand at the helm The Island Queen R.
