**The James Herriot Collection** James Herriot, 2006-10-31 James Herriot illuminated the rich and rewarding day to day life of a small town veterinarian taking hundreds of thousands of listeners on a journey with him across the dales He introduces a cast of truly unforgettable characters humans dogs horses lambs even parakeets all of them revealed with the same infinite fascination affection and insight that made James Herriot one of the most beloved authors of our time The stories are made all the more special by the world renowned voice of Dr Herriot Christopher Timothy whose performance warmly and evocatively brings the stories to life Now his first three classic works digitally remastered on CD are brought together in a beautiful gift set sharing with even more listeners the joy of James Herriot

**The Wonderful World of James Herriot** James Herriot, 2022-10-27 The perfect gift for fans of *All Creatures Great and Small* this is a charming collection of classic stories from James Herriot's much loved books with insights into his life and work from his children Rosie and Jim With astute observations and boundless humour country vet Herriot captures the spirit of the Yorkshire Dales and of rural communities on the cusp of change before tractors and machines had taken over and modern medicines and antibiotics transformed veterinary work Along the way a beloved cast of characters emerges from the squabbling brothers Tristan and Siegfried to Herriot's hapless courtship and eventual family life with Helen Anderson But it's the animals which are at the heart of Herriot's stories Whether he's dodging a raging bull on a risky artificial insemination assignment becoming pen pals with Tricki Woo the spoilt Pekingese pooch or the inevitable trials and tribulations of lambing season there's never a dull moment in Herriot's company At times moving and often laugh out loud funny *The Wonderful World of James Herriot* will delight fans old and new I grew up reading James Herriot's books and I'm delighted that thirty years on they are still every bit as charming heartwarming and laugh out loud funny as they were then Kate Humble on the works of James Herriot

**The Real James Herriot** James Wight, 2011-04-27 No one is better poised to write the biography of James Herriot than the son who worked alongside him in the Yorkshire veterinary practice when Herriot became an internationally bestselling author Now in this warm and poignant memoir Jim Wight talks about his father the beloved veterinarian whom his family had to share with half the world Alf Wight aka James Herriot grew up in Glasgow where he lived during a happy rough and tumble childhood and then through the challenging years of training at the Glasgow Veterinary College The story of how the young vet later traveled to the small Yorkshire town of Thirsk aka Darrowby to take the job of assistant vet is one that is well known through James Herriot's internationally celebrated books and the popular *All Creatures Great and Small* television series But Jim Wight's biography ventures beyond the trials and tribulations of his father's life as a veterinarian to reveal the man

behind the stories the private individual who refused to allow fame and wealth to interfere with his practice or his family  
 With access to all of his father's papers correspondence manuscripts and photographs and intimate remembrances of all the  
 farmers locals and friends who populate the James Herriot books only Jim Wight could write this definitive biography of the  
 man who was not only his father but his best friend NOTE This edition does not include a photo insert **The Real James  
 Herriot** Jim Wight,2000 The author writes about the life of his famous veterinarian father **James Herriot** Michael  
 Rossi,1997-01-28 This study examines James Herriot's five major books as carefully crafted volumes of autobiography based  
 on the building block of the short story In each of these works Herriot explores the fundamental choice of values underlying a  
 happy and successful life In his vision the bonds of affection and mutual dependence between all creatures human and  
 animal form an enduring theme that lies at the heart of the choices he makes in his personal and professional life This study  
 will help the reader to understand the relationship between Herriot's stories and each book as a whole and to appreciate  
 Herriot's work in the context of twentieth century anxieties about identity and meaning Following a biographical chapter that  
 describes the relationship between Herriot's life and literary work Rossi discusses the genre of autobiography the  
 relationship between truth and fiction in modern autobiography and Herriot's use of the genre A separate chapter is then  
 devoted to each of Herriot's works in turn All Creatures Great and Small All Things Bright and Beautiful All Things Wise and  
 Wonderful The Lord God Made Them All and Every Living Thing The discussion of each work includes sections on plot  
 development and narrative structure character development thematic issues and alternative critical approaches that may be  
 fruitfully applied to the book Helpful appendices contain identifications of minor characters in the works A complete  
 bibliography of all of James Herriot's works critical sources and a listing of reviews of all of his works completes the volume  
 Because of the popularity of Herriot's work among adults and young adults this companion will be a key purchase for school  
 and public libraries **James Herriot** James Herriot,1990-09-01 All Creatures Great and Small All Things Bright and  
 Beautiful All Things Wise and Wonderful The Lord God Made Them All 4 James Herriot Mitzi Brunsdale,1997 James

 of a veterinarian in the dales of Yorkshire in the 1930s through the 1950s as well as his children's versions of these animal  
 stories With book sales in the millions he is a major figure in the popular culture of our time In this text Mitzi Brunsdale  
 traces James Herriot's life and works Written in a serious yet easy to read style she mixes this biography with 20th century  
 British history and an overview of the history and people of Yorkshire This comprehensive study covers Herriot's five  
 autobiographical books his children's books and film and television renditions of his works **Words on Cassette, 2002** R
