*The Journey God Chose* Douglas V. Jewson,Al Brock,2013-01-14 The Journey God Chose is told by a man who at an early age had a heart that yearned after God In the process of surrendering his life to Christ he came to realize the truth contained in Proverb 16 9 New International Readers VersionIn your heart you plan your life But the Lord decides where your steps will take you He realized that each day of his life journey was ordered not by him but by his Heavenly Father Al Brocks story is intensely personal It is an open and honest look at his struggles from early childhood with feelings of jealousy inadequacy and inferiority as he became aware of physical limitations not shared by his identical twin brother As well he struggled with feelings of lack of acceptance by his father again because of his limitations Als brother Pete was always chosen first to be on athletic teams while Al was chosen last Pete became the star quarterback of the high school football team while Al himself served as the teams water boy He grew up in an environment of fear because of his fathers alcoholism and violent rages when intoxicated And then his father was gone when Al was only nine years of age succumbing to the ravages of his drinking This left the family of mother and four children to cope with no ready source of money during the years of the Great Depression Als life verse could be thought of as Romans 8 28 NIRV We know that in all things God works for the good of those who love him He appointed them to be saved in keeping with his purpose This verse is a thread running throughout the story of his life It is evident from childhood on as the family overcame the challenges of going forward without the father Continued evidence is seen throughoutfrom his military service during WWII through his calling to the ministry and his education in the answer to prayer that provided his wife and on into his later years Every life that came in contact with Al Brocks was met with a commitment by him to closeness and lasting friendship God used that to bring those he and Bunny met closer in their desire for the Lord The churches he served grew both in membership and spiritually A monumental change occurred for Al with the stirring of the Holy Spirit for a full surrender of his life God gave him a life changing experience of memory for repressed events with subsequent healing of past hurts done to him and by him to others The

result was a Baptism of the Holy Spirit into the fullness and freshness of a new spiritual calling and personal walk with God The lives of those he came in contact with were changed to an even greater degree with the fullness of the indwelling of the Holy Spirit This became a priority in churches he served and in special groups of people The Spirit of the Lord was seen to change individual lives as well as the collective life of the churches he and Bunny were called to serve Al Brock is one of the few men I have come in contact with who has turned sorrow and disappointment into a stepping stone to knowing God in a richer and deeper walk and the Holy Spirits control Bunny faithfully served along with him in every calling that they had together His children rise and call him blessed So do the many close friends he and Bunny made during the years that they served in the ministry It was a pleasure for me and my wife Diane to come to know him and his loving wife through helping to put his life story into words on paper Hopefully lives will continue to be changed by those who read these words even though you may not have the joy of being in contact with him through personal relationship or ministry

**Strength for the Fight** Gary Scott Smith,2022-09-13 How faith sustained Jackie Robinson both as an athlete and as an activist The integration of Major League Baseball in 1947 was a triumph But it was also a fight As the first Black major leaguer since the 1880s Jackie Robinson knew he was not going to be welcomed into America's pastime with open arms Anticipating hostility he promised Brooklyn Dodgers general manager Branch Rickey that he would turn the other cheek during his first years in the league despite his fiercely competitive disposition Robinson later said that his faith in God had sustained him giving him the strength he needed to play the game he loved at the highest level without retaliating against the abuse inflicted upon him by opposing players and fans Faith was a key component of Robinson's life but not in the way we see it with many prominent Christian athletes today Whereas the Tim Tebows and Clayton Kershaws of the sports world emphasize personal spirituality Robinson found inspiration in the Bible's teachings on human dignity and social justice He grew up a devout Methodist a heritage he shared with Branch Rickey and identified with the theological convictions and social concerns of many of his fellow mainline Protestants especially those of the Black church While he humbly stated that he could not claim to be a deeply religious man he spoke frequently in African American congregations and described a special affinity he and other Black Christians felt for the biblical character Job who had also kept faith despite suffering and injustice In his eulogy for Robinson Jesse Jackson described Robinson as a co

partner of God who lived out his faith in his civil rights activism both during and after his baseball career Robinson's faith will resonate with many Christians who believe as he did that a person can be quite religious and at the same time militant in the defense of his ideals. This religious biography of Robinson chronicles the important role of faith in his life from his childhood to his groundbreaking baseball career through his transformative civil rights work and in the process helps to humanize the man who has become a mythic figure in both sports history and American culture. **The Great Experiment** Strobe Talbott, 2008 Acclaimed journalist Talbott tells the story of humankind's struggle to band together for protection and profit and the urgent need for a new birth of American leadership to meet the looming threats of terror, climate change and nuclear catastrophe. **The Concise Dictionary of Religious Knowledge and Gazetteer** Samuel Macauley Jackson, 1889
