The Joshua Inheritance:

The Joshua Inheritance Mark Bles, 1992 **The Future Inheritance of Land in the Pauline Epistles** Miguel G. Echevarria, 2019-01-25 The Apostle Paul's vision of eternity is centered on the inheritance theme. Although Paul rarely unpacks this concept, he employs the inheritance in a manner that encompasses the hope of a renewed cosmos promised to Abraham and his descendants. Thus, the apostle does not redefine a theme grounded in the Old Testament and Second Temple literature as if it now referred to heaven or some other spiritualized existence. He expects what every pious Jew expected: the tangible fulfillment of the promise when at last God's people will dwell in a land where they will experience rest under the rule of Messiah. What Paul clarifies is that those who are in Christ are the beneficiaries of the inheritance. Although believers do not currently possess what has been promised to them, they have the hope that the Spirit will lead them on a new exodus through the wilderness of the present sinful age until they inherit the coming world.

Inheritance by Daughters in Israel and the Ancient Near East Zafra Ben-Barak, 2006 **The Holy Bible**, 1867 The Holy Bible in the Authorized Version, 1865 **The Holy Bible, Containing the Old and New Testaments; Translated Out of the Original Tongues; and with the Former Translations Diligently Compared and Revised, by His Majesty's Special Command**, 1812 **Sit At My Right Hand'** Benjamin D. Giffone, 2016-10-20 Benjamin is portrayed in Chronicles differently from how he is portrayed in the Deuteronomistic History. In the latter, Benjamin's relation to Judah is shown as varied and complex, incorporating both highs and lows. The Chronicler, by contrast, smooths over these difficulties by emphasizing the historically close relationship between the two tribes. Benjamin D. Giffone sees in this evidence that the Judah-Benjamin relationship reflects the socio-political situation of late Persian Yehud, in which the relatively poor Jerusalem cult struggled to maintain material support from landed nobility in the region. Material evidence shows that the historically Benjaminite regions prospered during the Neo-Babylonian and early Persian periods. The Jerusalem cult competed with cultic locations known for their alliances with either Benjamin or Joseph for the support of wealthier landowners. It is within the context of this struggle for support that the Chronicler rewrote Israel's narrative partly to garner Benjaminite support. Giffone synthesizes observations that are literary and historical to reveal a literary phenomenon: the differing portraits of Benjamin and situate this within the historical context of Persian Yehud. In so doing, Giffone offers a new understanding of Yehud during this period and elaborates an important motif in these two sections of the Hebrew Bible.
